Janice,
Well, we made it through Herman. I doubt if we'll see you much next year - but maybe we'll run into you on the streets of Dayton. Congratulations on Daisy Chain. Good luck in all your endeavors. Stay as sweet as you are. You know you're going to go far.
Beth Tompkins '76

Janice,
to a really sweet girl who made the Chemistry class what it was. It has been great knowing you this year. Good luck in all that you do. See you this summer.
Randy Rogers

Janice,
Congratulations on making Dean's List & Daisy Chain. I know you deserve it. Maybe next year you'll be on top me for Cum Laude. Enjoy yourself this summer. Good luck for next year.
Bill Spencer

Janice,
I've always enjoyed having you in classes. You and Pam made a new thing. - a lopsided 6-sided corner. Good luck always and enjoy the summer with the Bob.
Camille

Janice,
Chemistry was so much fun this year (HA HA!) We can't help it if we loved everyone at my party talking about Washington. We had fun!
See ya next year.
Janice M

Janice,
Congratulations on Daisy Chain. I know you deserved it. Maybe next year you'll be on top me for Cum Laude. Enjoy yourself this summer. Good luck for next year.
Bill Spencer

Janice,
a real smart girl who we all kind of look up to. Love, Bobbie and Saylor Park.
Just want to let you know we were just Kidding. Good Luck in Daisy Chain and hope you make Cum Laude next year.

Klein,
I still can't believe you made daisy chain, because you're so dumb! (I bet you cheated off Bob, you, you MARINE!)
Really, seriously, you're dumb.
Love you always (Don't tell Bob)

Janice,
Thanks for the enlightment in English Class. Sitting next to a daisy brain in class it is possible that I may become a hazy brain. You might become a hazy brain if you don't exercise your brain over the summer. One way to save your brain is to look for chick figures in drive-in movies. Have fun over the summer
Howard Riehl

Janice, although our English class seem to dust it is nice to sit next to a cute. Good luck next year.

Janice,
Hope your summer is full of fun and relaxation. Hope you get that car fixed. Bob finished his way through English class. I wish you luck in the future and hope to see you next year. Wish I had known you better. :"(
Linda Schmeltzer

To Janice,
Whew, another year gone - do you believe it?
I'm glad you were in a lot of my classes this year, you're so pretty and have a great personality. I'll see you a lot this summer (in church and Youth Group), don't work too hard on your outside readings.
God Bless you
Love, Debbie Wright

P.S. Why don't I ever see you at the drive-in when I do see Bob. The "Cheerleaders" had a lot of literary devices.

To Janice
A real nice girl with a great personality. It's been a great pleasure to be in your classes. Remember the fun in Daisy Chain. Enjoy yourself in the summer and good luck in all you do!

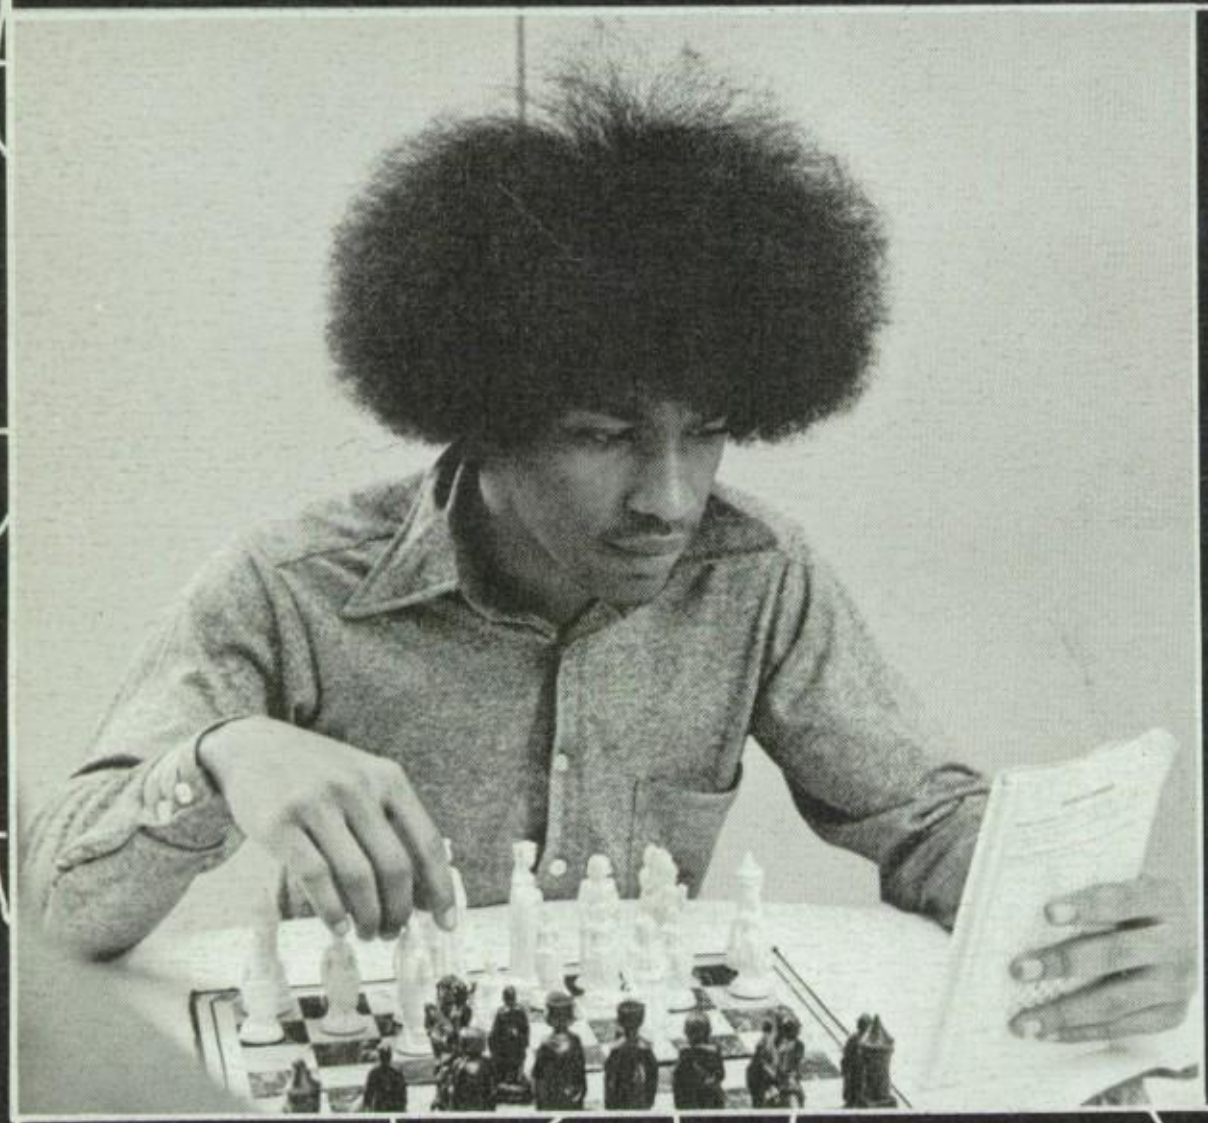
Jigsaw



1975 at Western Hills resembled a jigsaw puzzle. Western Hills experienced something new, more black students and teachers. The Cincinnati Board of Education instituted an "open-enrollment policy" which permitted any black student in the city to transfer to West High for "racial balance." The Board of Education also stated that 70% of each school faculty must be white and 30% black. Closing Courter Tech, the area vocational school, added even more students and teachers to the confusion. Each individual, like each piece of a jigsaw puzzle, was different. Over 3400 pieces, including students, teachers, and administrators, worked together to make up the puzzle.

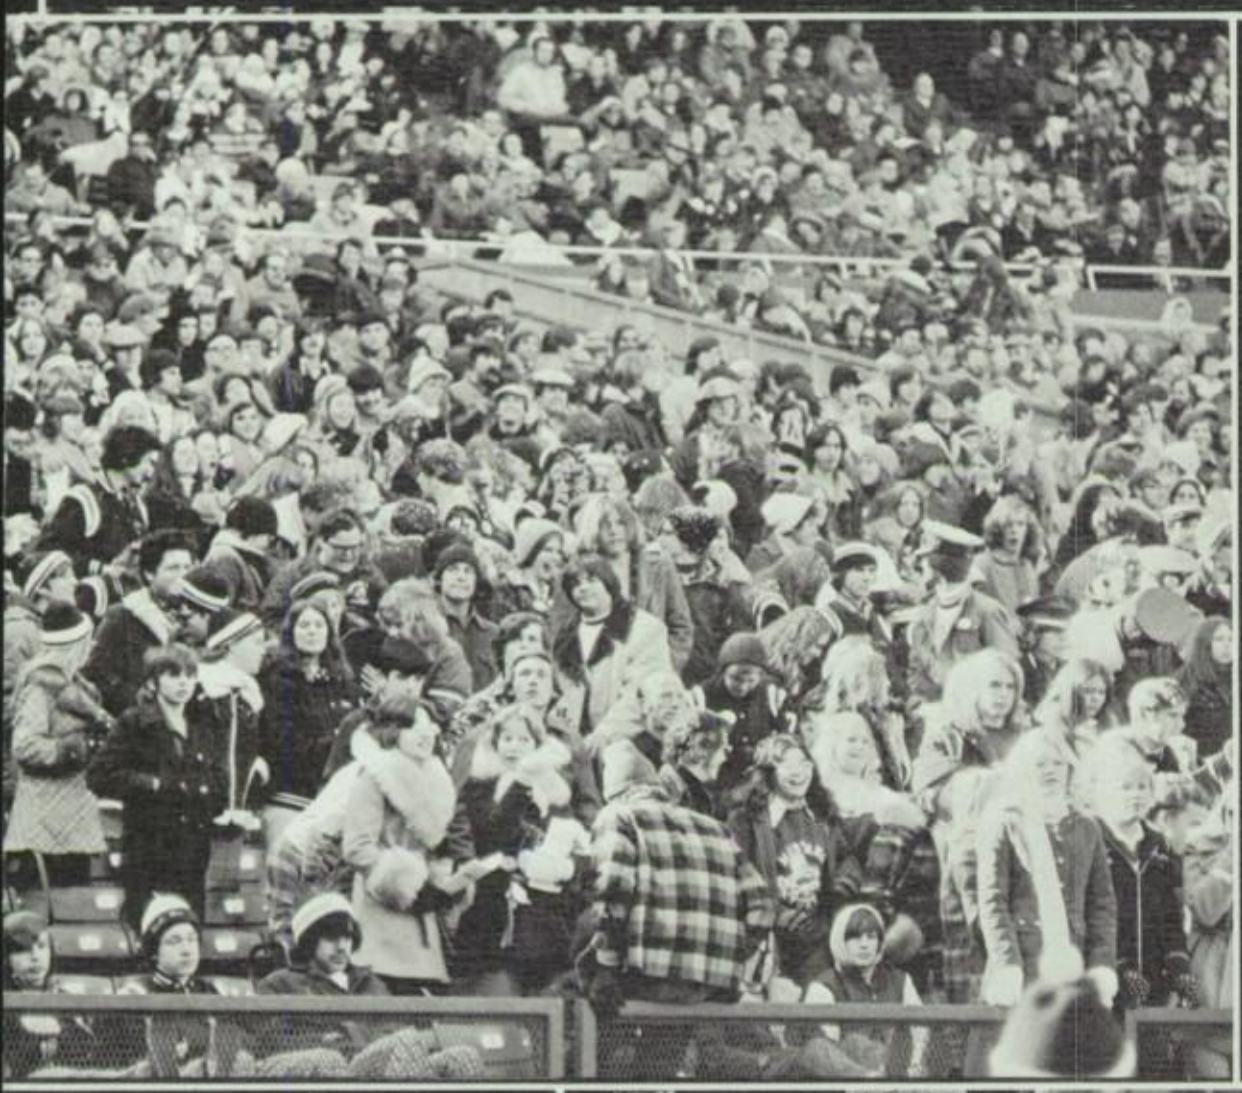
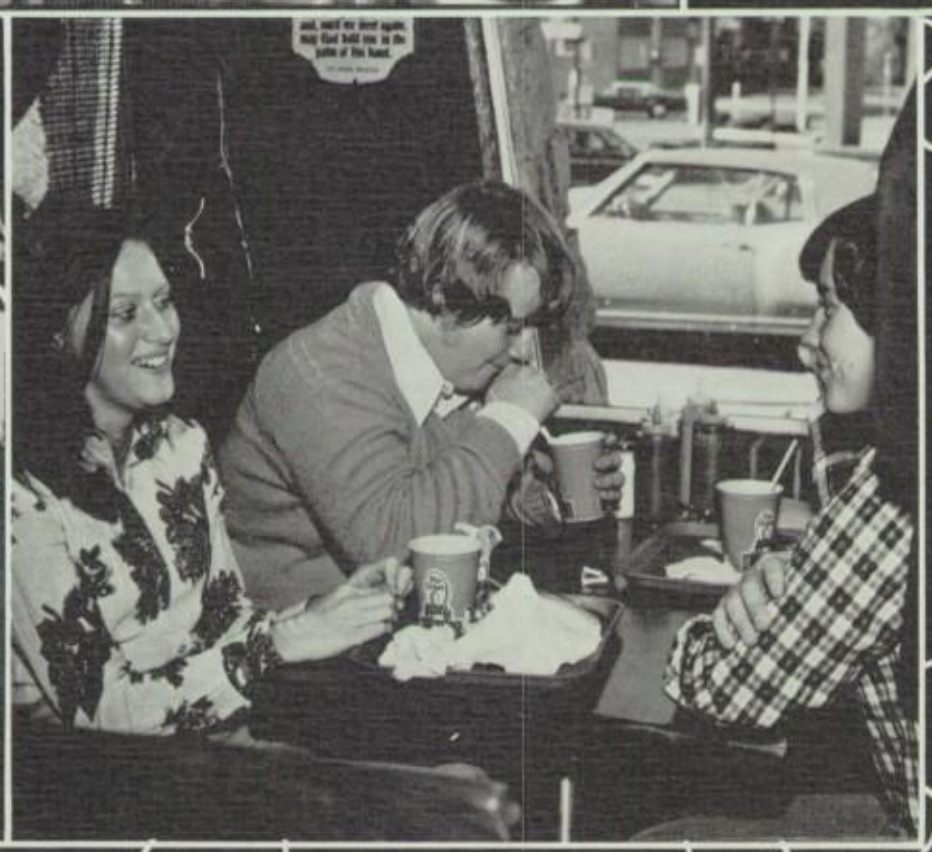
People



3,300 students made up the greater part of the jigsaw puzzle. More students than ever before adjusted to West High's way of life. Transfer students and students from the feeder junior highs learned to cope with crowded halls and long lines.

Due to the split shift starting time, students did not have the freedom to roam the halls between eight and nine. Morning pep assemblies were abolished because of the eight o'clock classes.

Each student going his own separate way caused confusion.



Bricks

One major factor which added to the confusion was the opening of the vocational annex. Primarily, students from Western Hills and Courter Tech participated in the different vocational programs. Three hour blocks were required for the two year program. This requirement caused the split shift in the starting time. Some students started school at 8:00 and others at 8:50 . . . . which added confusion to the jigsaw puzzle.

Studies

New teachers, as well as new students, appeared in the different departments. Many faculty members taught courses they had never taught before.

In the vocational building students were involved in programs ranging from Food Preparation to Auto Mechanics.

Some quarter courses in all departments were dropped due to the lack of teachers. English quarter course optioning did not begin until the second quarter because of this lack of teachers and also to avoid further confusion.

Contests

Athletic programs experienced confusion in 1975 also. Many coaches taught at schools such as Porter, Hughes, Merry, and Central Fairmount and came to West High to coach.

Last minute decisions added to the confusion in the sports arena. The wrestling team had no definite coach until after the school year had begun.

Sports fans saw many new faces on the athletic teams this year. Trying to distinguish all the new faces was sometimes puzzling.

Groups

Due to the teacher transfers many clubs were left without sponsors. Some clubs had trouble finding sponsors while others found the attempt unsuccessful.

However, the opening of the vocational annex brought the beginning of many new clubs. Western Hills offered organizations which covered every area of student interest.

Many clubs tried to make money during the year, but coinciding sales made successful profit almost impossible. Trying to differentiate between the many clubs proved to be puzzling.

Global

The confusion at West High was just a small scale example of the city, US, and world situations.

Cincinnati City Manager E. Robert Turner and Cincinnati Board of Education President Charles Lindberg both resigned from their positions. Construction began on the new sports coliseum and the Riverfront complex.

The US economy continued to suffer and president Ford initiated a "WIN" policy to fight inflation.

Puzzling problems hovered over the city, US, and world.

Students learn workings of government

The "Its Academic" team was chosen from ten people who participated in a mock situation. The members included Debbie Oakes, Bob Rolfes, and Bruce Hust. The alternate was Joni Johns.

Bruce Hust, Dave LeCompte, Pete Tremoulis, and Mark Weiler attended Boys' State at Ashland College in Ashland, Ohio, last summer. MaryAnn Jacobs and Beth Binhammer attended Girls' State at Capital University in Columbus, Ohio, for a week last June. Both programs set up mini governments on all levels. Binhammer ran for Lieutenant Governor and was elected.

Seventeen girls attended the five monthly meetings of the Girls' Week program. Laura Lampe was chosen the delegate from West High.

Geoff Robbins, Boys' Week representative, was elected Clerk of Council during the Boys' Week program at City Hall.

Operation Youth delegates, Dianne Fisher and Denise Girten, spent a week at Xavier University listening to speakers from various fields of business, industry, politics, and medicine.

Top seniors were tapped **Cum Laude.** They were chosen on the basis of academic credits and class rank.

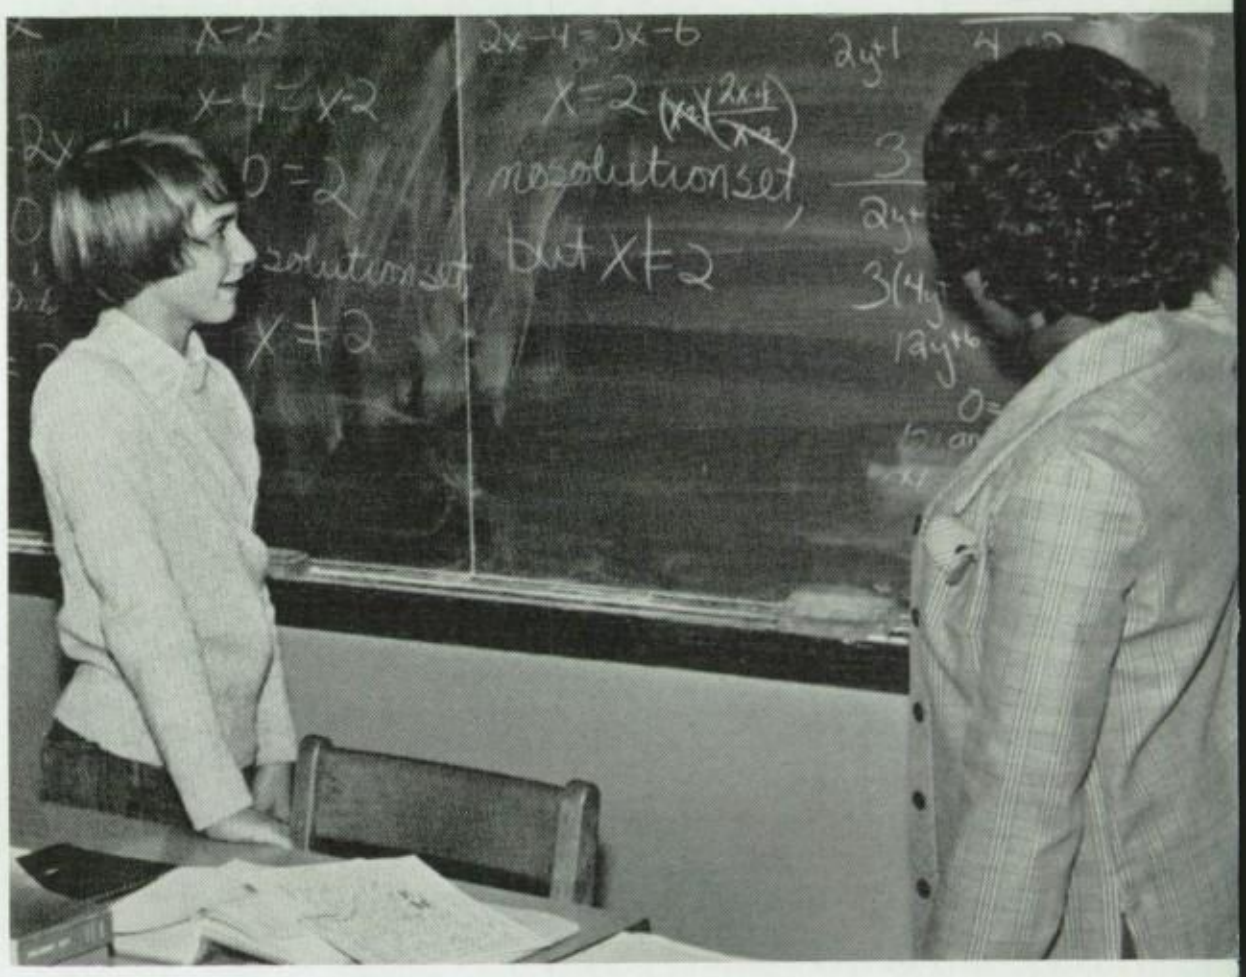
Math courses develop skills

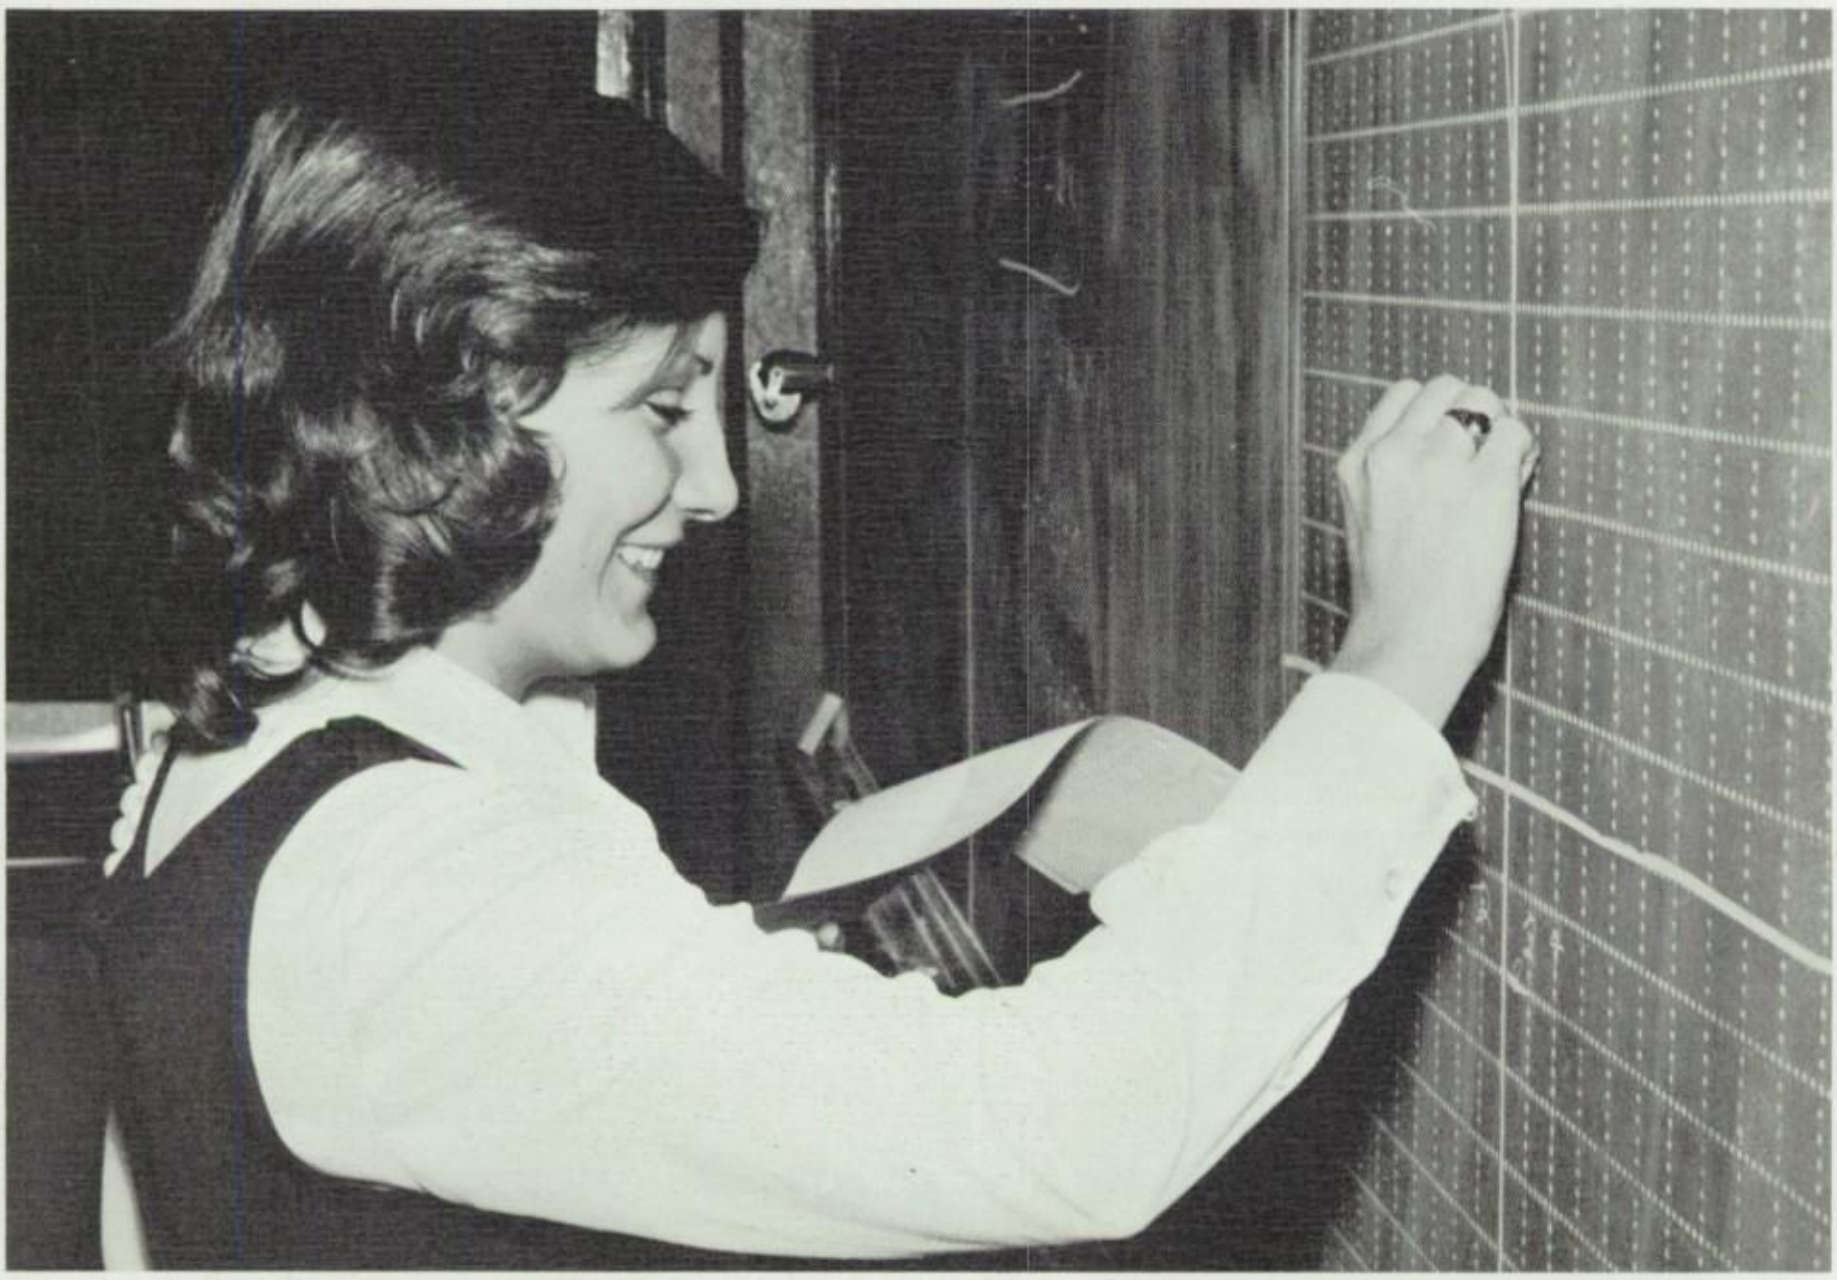
"All math quarter courses except for Money Management were lost in the shuffle," stated Mrs. Theresa Penn, Math Department Head. As a result of fewer teachers, quarter courses were dropped and classes were larger.

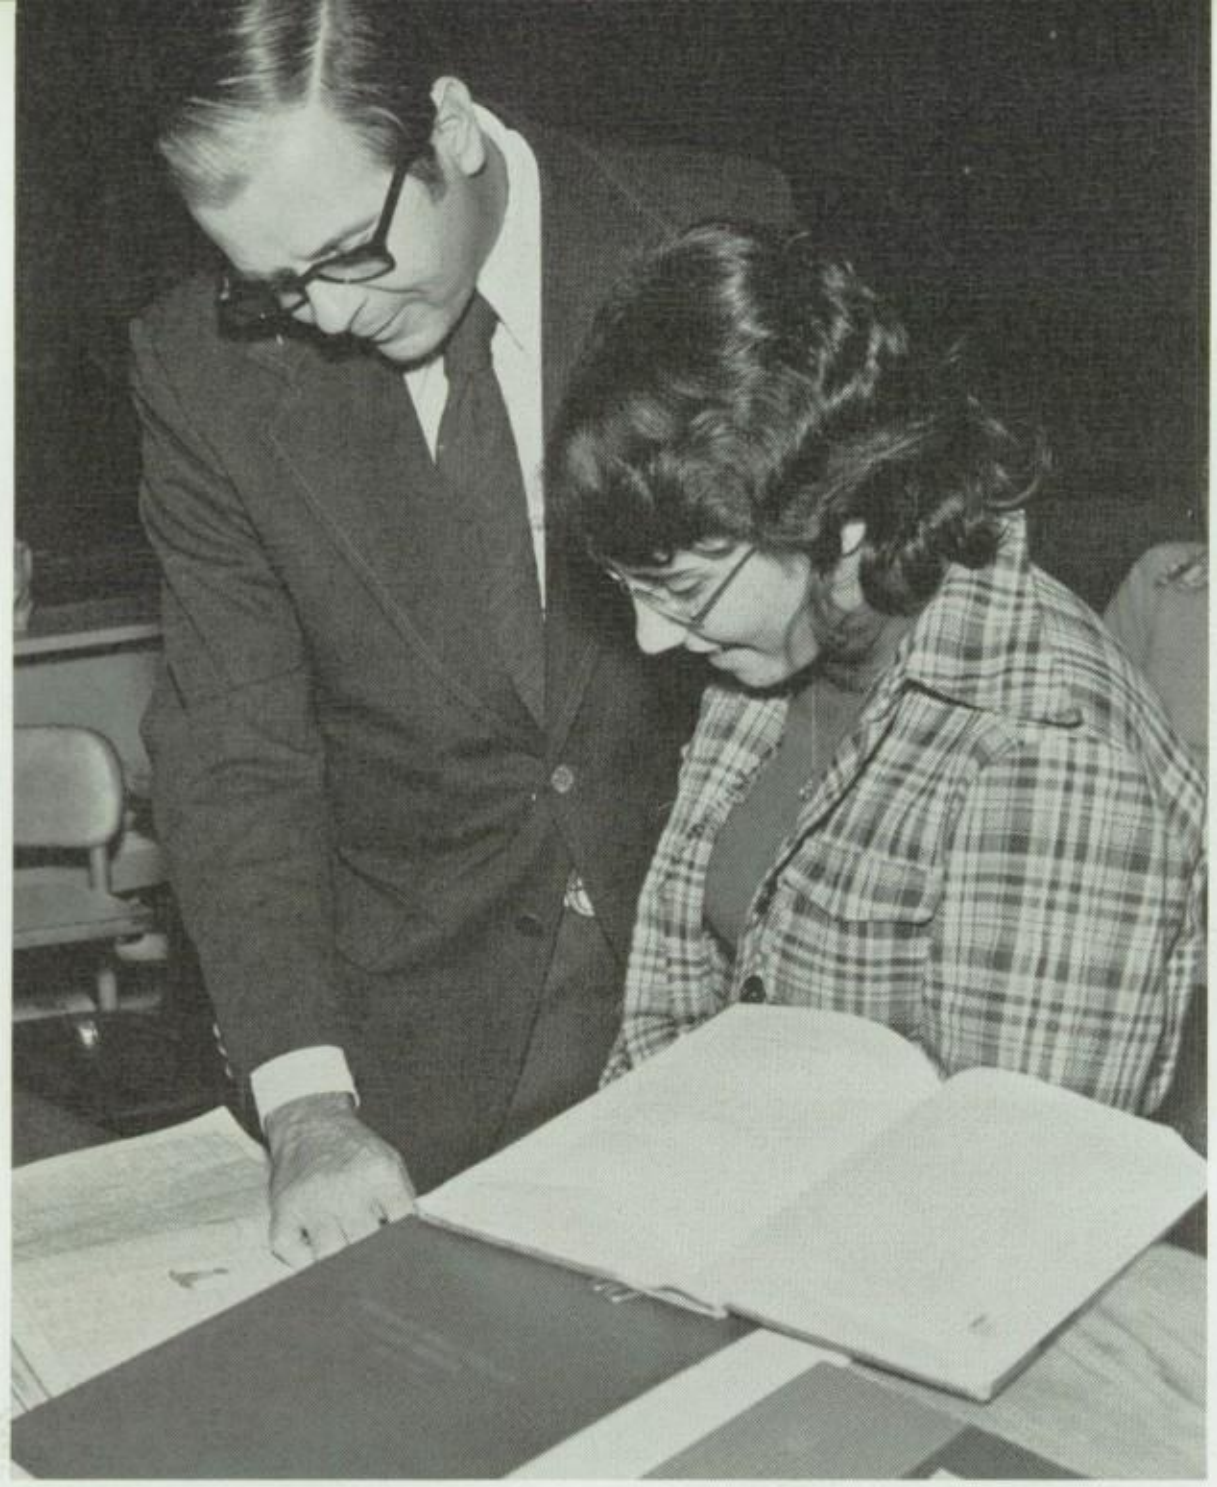
Mathematics for Science, a new four quarter course, covered the slide rule, tables, log tables, estimating arithmetic calculations, the mini calculators, and solving scientific problems. "The course was designed to help students do their science and, simply, to use math to do science," stated math teacher Mr. Mauer.

Algebra, Geometry, Trigonometry, Consumer Math, and Calculus were the other four quarter courses offered. Calculus was taught at both the Academic and Advanced Placement levels and opened only to seniors.



Top Left: Miss Bauer overlooks Andrew Gill doing his Advanced Math homework. **Bottom Left:** Mrs. McDaniel explains an algebra problem to Todd Hanna. **Right:** Dianne Fisher works a problem on the board in her fourth bell Calculus class.





English Dept. lacks teachers

The elective English program did not begin until the second quarter. "The English Department had a big turnover in teachers and felt that opening the elective program the second quarter would make the scheduling much easier," stated Lenora Weber, English Department Head.

First quarter English students were put into traditional English classes. "The first quarter would provide the chance to emphasize the fundamental skills which the quarter courses lack," stated Weber.

Students selected an English course at the beginning of each quarter. Many students replaced study halls with quarter courses. "Different quarter courses were offered each bell which provided the students with much variety," stated Weber.

Some of the new courses this year were: Family Life, Fun and Insight, Black Literature, Legend of the West, and Modern American Fiction. Advanced Placement English, a four quarter course, was also optioned by students. Senior AP students were required to take the Advanced Placement Examination at the end of the year. Other English courses such as **Annual** journalism and **Breeze** journalism taught students news writing.

Courses cover world affairs

The lack of teachers affected the Social Studies Department also. "The first quarter we had to reduce the number of quarter courses due to the lack of teachers but as the year went on we were able to increase the number," stated Mr. Hopping, Social Studies Department Head.

Courses in American History, Modern History, European History, Black Culture, Economics, Sociology, and Current Affairs were offered. Current History and Women In American History were quarter courses offered.

Juniors were required to take an American History course. Modern History was open to sophomores and European History AP was for seniors only. European History students were required to take the AP History test at the end of the year.

Co-ed classes for Physiology

The Science Department was at a disadvantage this year. Quarter courses were dropped and Physiology classes were combined. "Scheduling doesn't make it possible to have mini courses and teachers," explained Mr. Huth, Science Department Head. Fewer teachers affected the Physiology area of the science program.

Courses offered under the Biological Sciences were Physiology, Biology, Zoology, and Botony. Physical Science courses offered were General Science, Chemistry, and Physics.

"We have a good science program and offer a variety of courses, but I feel more could be done. Courses such as Geology and Astronomy would add more variety to the science program," stated Huth.

Students study different cultures

"I imagine we offer a broader program than most other schools," stated Mr. Shackelford, Language Department Head. French, German, Latin, and Spanish were taught at levels one through six. Some classes were of combined levels. Mrs. Michaels taught a combined class of fourth, fifth and sixth year students.

German History, a new course offered under Foreign Languages, could have been taken for history credit.

Students read and translated stories, wrote papers, and learned grammar in their language classes.

Shops prepare students for vocations

The Industrial Arts Department was not a part of the vocational program. "Some classes are used as feeders for the vocational program and some students, mainly tenth graders, take a course in Industrial Arts as a preparation for the two year vocational program," explained Mr. Anderson, head of the Industrial Arts Department.

Introductory Drafting and Appliance Repair were quarter courses offered. Wood Working, Printing, Drafting, Metal Working, and Electricity were the regular four quarter courses offered.

Business courses in the old building were also just one bell and not considered part of the vocational program. Beginning and Advanced Accounting, Beginning Typing, Record Keeping, Business Math, Office Practice, Office Machines, Personal Typing, and Shorthand A were the courses offered.

Students learn family, fitness

Sophomores were required to take one quarter of Health and seniors were required to take either Health II or Survey of Family Life.

Food and Clothing classes were offered this year. "I would like to see more boys come into the Food and Clothing classes. It is better to have a mixture of boys and girls," stated Miss McClure, Home Economics Department Head.

Girls were able to select the physical education class they enjoyed the most. A variety of courses such as tennis, swimming, hockey, gymnastics, and volleyball were offered.

Boys Physical Education classes offered a variety of courses, both individual and team sports.

Driver Education and Training was offered as a two quarter course. Students were in the classroom for ten weeks and in the simulator and behind the wheel for ten weeks.

Talents expand in art, music

Silk Screen and Jewelry were quarter courses offered by the Art Department this year. All levels of art classes included some painting, designing, sketching, printing, and ceramics. "We plan to submit designs for a building mural downtown," explained art teacher, Mr. Wilson.

"After a down in the number of string players, this year marks a resurgence of string players and in a few years the Orchestra should come back to its superior standards," stated Mr. Andrew Brady. Jazz Ensemble was a course offered to give experience in the playing of today's music. Music Theory and Band were other courses offered.

The Choral Department consisted of Senior Choir, Studio Choir, and Ensemble.

Office classes; opportunities

"The purpose of the business classes is to teach people to be secretaries, clerk typists, data processing specialists, filing clerks, posting clerks, beginning accountants, or duplicating specialists," explained Miss Constant, Business Department Head.

All courses were three hour blocks. Part of the time was spent in the classroom going over the related material such as filing, spelling, grammar, and the rest of the time was spent working in an office situation; typing and taking dictation.

Accounting and Computing Occupation, Business Data Processing, Clerical Services, and General Merchandising were just some of the programs offered.

"Making them able to get a job with a future, both mentally and financially, after graduation was our goal," stated Constant.

Left: Sherry Elison types a letter in her General Office Specialist Block. **Top Right:** Mary McNamee and Katie Boyle practice using the telephone extensions in their Stenographic Secretarial Block. **Bottom Right:** Beth Bunning punches out IBM cards in her Data Processing class.

Trades taught; future jobs

"The whole idea of the program is to provide young people with a saleable skill, so when they leave the school program they will be able to get direct entry into a job," stated Mr. Findlay, head of the Trades and Industrial section of the vocational program.

The Trades and Industrial section included Drafting, Electronics, Welding, Auto Mechanics, Body and Fender, Construction, and Graphic Arts.

Drafting Occupations covered material in many drafting occupations such as; mechanical, architectural, structural, and electrical.

Auto Mechanics taught students the service, repair, and replacement of engines, fuel systems, ignition, brakes, and front end.

Construction offered material in carpentry, masonry, blue print reading, concrete work, and electrical wiring.

Students learn saleable skills

Medical Lab Assisting, Dental Assisting, Care and Guidance of Children, Clothing Management, Production, and Services, and Food Management, Production and Services were other vocational programs offered in the new annex.

"Medical Lab Assisting is primarily to teach students laboratory facets of medicine," explained Mr. Oka, Medical Lab Instructor.

Students learned complete dental procedures in the Dental Assisting program.

"The program teaches about careers in child care and the Child Care Center provides practical experiences in the classroom," explained Mrs. Fineman, Child Care Instructor.

The clothing program included clothing industry, plant management, sales training, cleaning, inspecting, and clothing renovation.

"The program is designed to ready students for the food service industry," stated Mr. Seta, Food Instructor.

Renshaw believes in students

West High underwent three changes this year: the opening of the vocational wing, open enrollment, and split scheduling.

"The vocational wing has given students a total new outlook, many more opportunities, and it's just worked beautifully," stated principal, Marvin R. Renshaw.

Split schedules caused transportation problems for students and a shortage of classrooms due to the lack of open spaces on the schedule.

According to Renshaw, the major problems this year were the orientation of the new faculty members and the continued overcrowding of students.

"I can't run a high school with this many students unless they're good kids, unless they help me; and they do," stated Renshaw. "West High's greatest asset is its students," concluded Renshaw.

Asst. Principals

New work for the assistant principals this year involved the vocational wing, split scheduling, and teacher and student transfers.

Besides being in charge of curriculum, scheduling, and new programming, Anderson Owens also handled senior discipline.

Francis Dowdell took care of junior discipline, the bookroom, and school security.

James Bruckmann was in charge of scheduling school activities, sophomore discipline and substitute teachers.

Brown Ward, in charge of the vocational wing, also helped with student discipline.

Checking studyhall attendance and supervising the lunchrooms was Ralph Griesser.

Counselors use career guidance

"This year we're trying to place a little more emphasis on career guidance," stated Glenn Borkosky, head of counseling, "with more attention on sophomores entering vocational programs to prepare them for the world of work."

New to the staff this year were Gwendolyn Ivory, replacing Mr. Sexton; and Peggy Martin whose office was in the vocational wing.

Continuing to aid students in gaining work experience credits was John Kuechenmeister.

PHSL title elusive; gridmen 7-3

"Our goal was to continue to have winning football at Western Hills," stated Coach Ralph Griesser about the 1974 Varsity Football Team. Posting a 7-3 mark and a 4-1 league record extended "winning football" at Western Hills to three consecutive years.

After early victories at St. Mary's and a home league game against Hughes, the maroon gridders were embarrassed by neighborhood rival LaSalle.

Next came the nucleus of the league schedule. After defeating Walnut Hills and Taft, the Mustang's dreams of a league title were crushed by a loss to Woodward.

"The highlight of the season was the come-from-behind win over Oak Hills," commented Griesser who felt that game proved two things "never give up" and "some times you get lucky."

The gridmen upset Oak Hills, 16-15, scoring the final touchdown with less than a minute remaining.

All-league honors went to quad-captains Doug Coleman, Gary Keyes, Mike Hendley, Barry Watson and junior quarterback Kurt Pfanstiel. Coleman also received All-city honors.

Spirit boosts Colts to 3-3-1

Success of the 1974 Reserve Football Team was attributed to the presence of spirit. "Spirit has changed because of Junior High football," remarked Coach Virgil Scardina.

"Overall the kids did pretty well," added Scardina. The Colts racked up a 3-3-1 season mark. All three losses came at the hands of "schools with four-year programs."

Within the league, the Colts faired better with victories over Hughes, Walnut Hills, and Taft. The reserves finished the PHSL with a 3-1-1 record.

Scardina cited John Reed as "a tiger on defense," and felt Stanley Owens showed the most promise, both offensively and defensively.

New cheers boost spirit

"This year's squad introduced many new cheers and chants. We really worked together this year as a group to boost spirit," stated Melissa Wood, captain of the 1974-75 Varsity Cheerleading Squad.

During the year the squad sold candy, peanuts, oil lamps, raffled a basketball signed by all the players, sponsored a car wash and the annual "Meet the Mustangs" canteen. The money earned helped pay for new uniforms.

The cheerleaders decorated LaRosa's before home football games, pinned all varsity basketball and football players before every game, cheered at pep assemblies, and walked around the halls the day of the game to boost spirit. On the night of the Pow Wow the cheerleaders decorated the football players' houses.

In the summer, the squad attended a workshop at Hueston Woods and were awarded both "most outstanding" squad and the spirit stick.

Girl spikers win PHSL title

"We had the best team in the league; that's why we won every game," stated Volleyball Coach Mary Busser. The spikers finished the season with an 8-0 overall record, winning the PHSL crown at 6-0.

The season started with 2-0 victories over Walnut Hills, Woodward, and New Richmond. The Mustangs finished the season with a 2-1 come from behind victory over Taft, and 2-0 victories over Hughes, Withrow, Aiken, and Hillsdale.

The spikers were finally defeated 0-2 by Oak Hills in a Greater Cincinnati tournament. "I'm glad that girls have established themselves as players in the interscholastic sports program," stated Varsity Captain, Beth Binhammer.

Linkswomen play once; lose once

"I admired the girls for their initiative to go out and start the first girls golf team at Western Hills," stated Coach Melville Byles.

Even though the linkswomen lost their only match to Indian Hill by twenty strokes, it was good practice for this spring's team which plans to play interscholastic golf. A schedule for the team is currently being arranged.

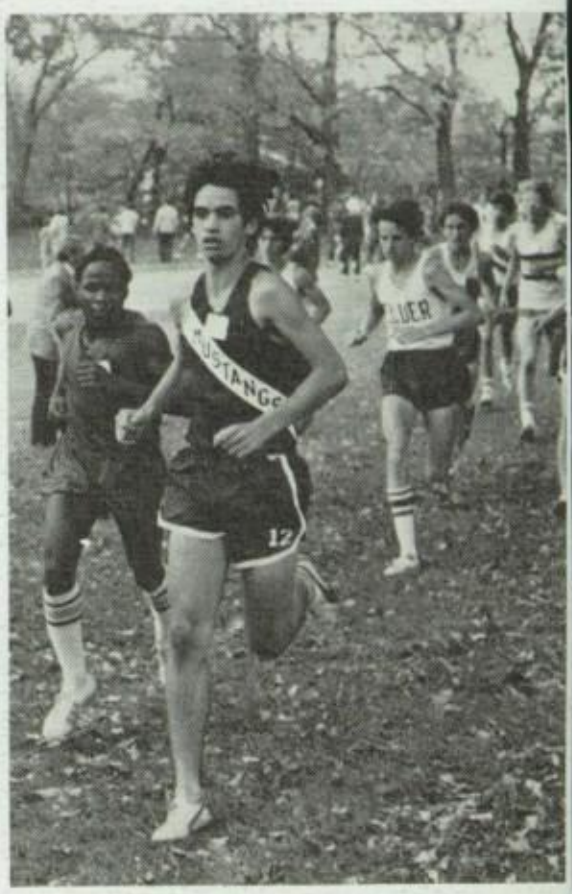
"The highlight of the season was winning the PHSL which was stronger than in recent years," commented Coach Louis Dahmann about the 1974 Cross Country Team. The Mustangs captured a fourth PHSL crown in five years.

Teacher transfers lamed the harriers early in the season. The team suffered a slow start because of the uncertainty of a coach until a week before school opened.

The harriers' co-captains were senior Pete Strimple and junior Mark Klette. Strimple led the team, setting four course records on the path to winning the Sectional Meet. Strimple qualified in the District and ran in the State Meet. Strimple was named "Runner of the Year" and "beat every runner in the city at least once," added Dahmann. Ken Jones was singled out by Dahmann as the most impressive sophomore.



Team balance drives golfers

"Five players deserved a MVP award . . . it was a total team effort," remarked second-year coach Joe McNeil about the 1974 Golf Team.

The linksmen captured a fifth consecutive PHSL championship with a perfect 8-0 record. Winning outside the league proved more difficult as the Mustangs managed a 12-8-1 mark overall.

McNeil felt the changing of golf to a fall sport proved advantageous. "Coming off of a summer of playing golf helped us get into the groove."

Senior Ed Swab was selected first team all-PHSL. Second team honors went to Junior George Hibben and Sophomores Mike Owens and Bob McNair.

WH roundballers 12-9; end Withrow 'hex' at 24

"Losing to Hughes by two points had an adverse effect on us," commented second-year Coach Joe McNeil about the 1974-75 Varsity Basketball Team. The cagers were 5-1 and ranked fourth in the city before entering the contest.

The Mustangs suffered a "mid season letdown" after the Hughes battle. Losing four of the next seven games, the roundballers finished fourth in the league with a 7-5 mark.

The cagers ended the regular season, losing to Elder 53-49, which dropped the overall record to 10-8. The Mustangs entered the Sectional Tournament and defeated Withrow for the first time since 1961. "I was pretty happy with the season," added McNeil.

Mark Weiler led the team in scoring with 19.5 points per game. Robert Miller pulled down a team high ten rebounds per game. Weiler was selected to the Enquirer's and also to the Cincinnati Post's All-city teams.

Colts tie Woodward for PHSL title

The highlight of the season was "beating Hughes . . . . . It was the game we had to win to win the league," remarked first-year Coach Bill Moreland about the 1974-75 Reserve Basketball Team.

Early in the season Hughes conquered the Colts 52-34. In the second meeting the Reserves took revenge, downing Hughes 55-51. "We ran our offense quite well," added Moreland, a teacher at Porter Junior High School.

The Colts claimed a share of the PHSL crown with a 9-3 mark and mustered up a 9-9 record overall. Brent Nichols led the team in scoring while Ferguson Walker and Mike Owens shared high rebounding honors.

At the season's end, both Nichols and Owens were promoted to Varsity.

PHSL crown eludes grapplers

"Overall I was very pleased with their attitude and results," remarked Coach Pat Eagan about the 1974 Varsity Wrestling Squad.

The Matmen finished second in the PHSL behind a "very strong Withrow team." Two days before the league meet West High's 105 pounder, Andy Messner, broke an arm, forcing the Mustangs to forfeit the weight class. Jerry Mussman and Ron Terrell managed to take first places in the PHSL.

The grapplers placed second at the Indian Hill Invitational as senior co-captains Mike Doppes and Ron Terrell and junior Gary McCoy took first places. Doppes and Terrell finished second in the District Tournament and qualified for the State Meet.

Eagan, a teacher at Central Fairmount, stated, "It was difficult to run things since I wasn't at West High." Eagan was transferred to achieve racial balance.

The reserve matmen compiled a 4-6 overall record and placed third in a very tough Colerain Junior Varsity Tournament at the season's end.

McCoy cited captain Eddie Thomas as the Most Valuable Wrestler and Kelvin Marshall, Tony Moore, Jim Stewart, and Andy Messner as good varsity prospects.

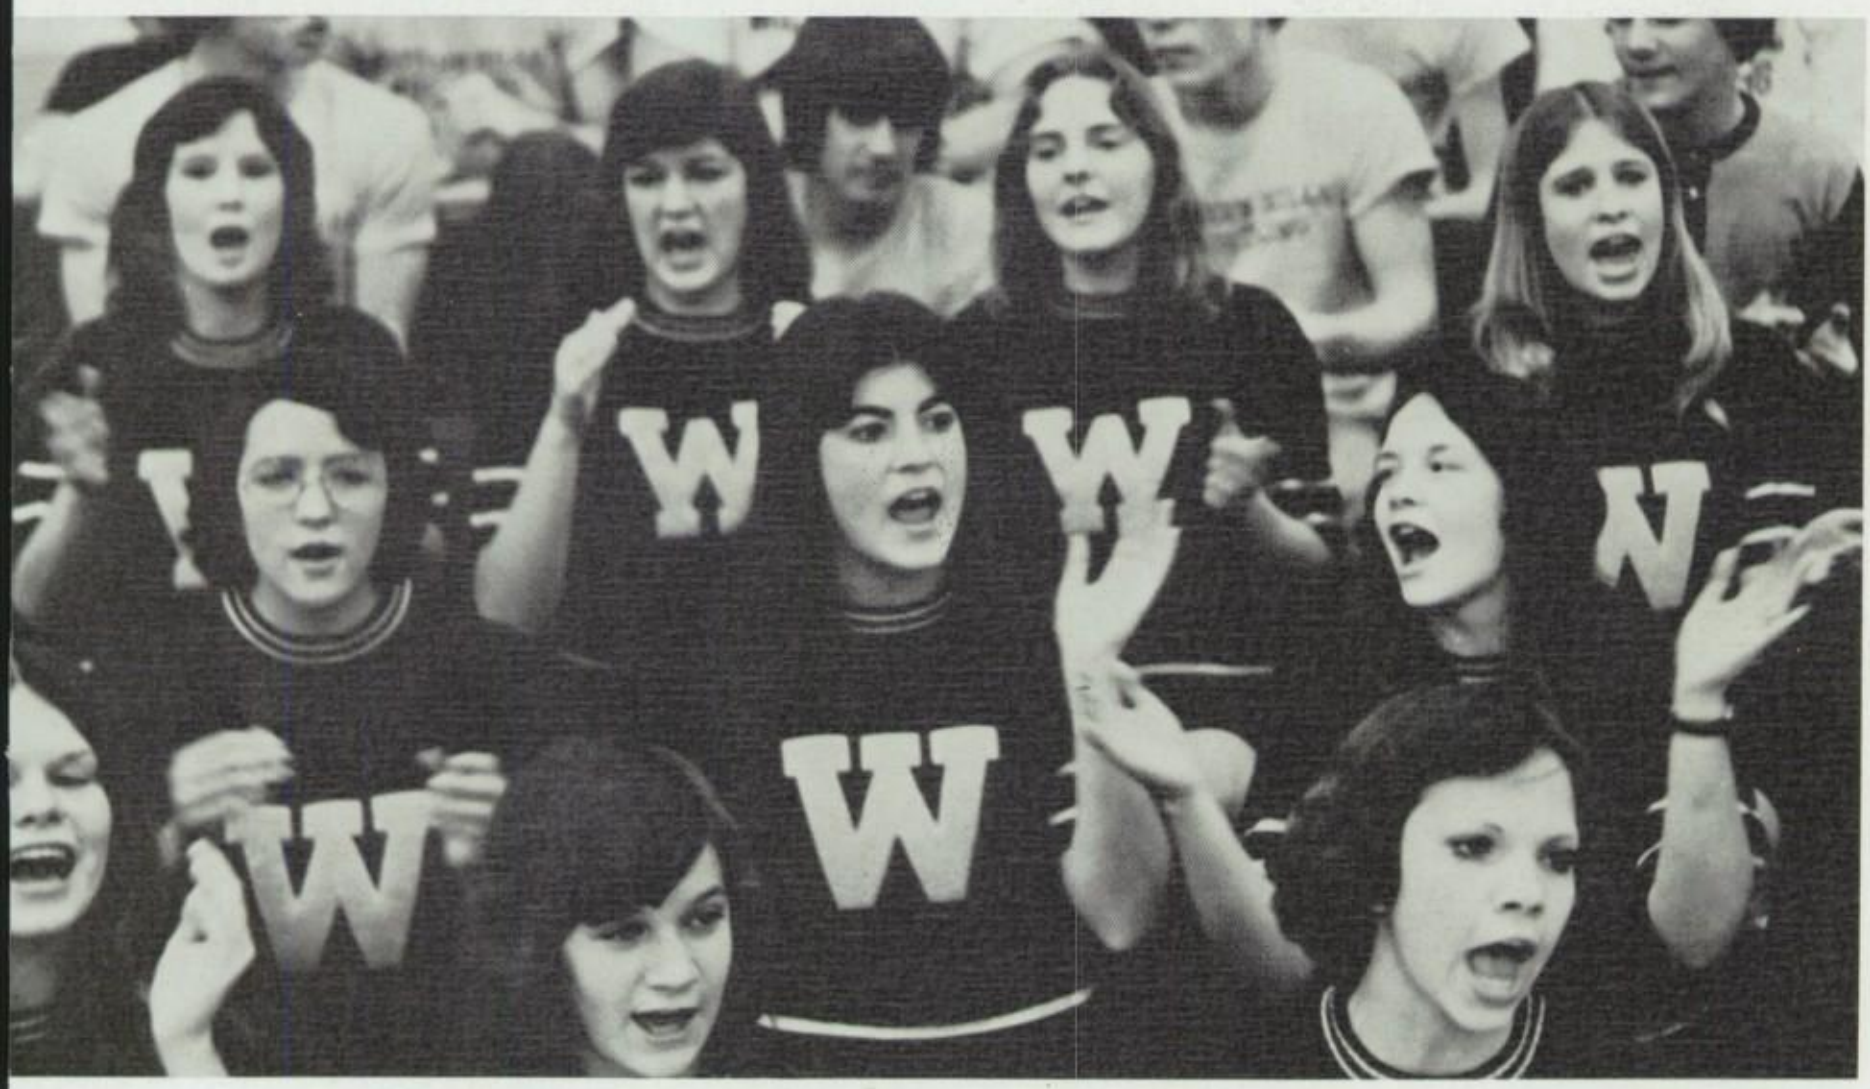
Pin-ups aid at matmen meets

"The purpose of the Pin-Ups is to give support to the wrestling team and to run the wrestling matches," stated Pin-Up captain Jenny Craynon. The Pin-Ups kept score, ran the clock, cheered, sold tickets and programs and threw the towel out to end each match.

During the year the girls sold candy, worked at the concession stands at the home football games and sponsored summer car washes to earn money for new uniforms. The group was sponsored by Mr. Frank Hux, Driver Education teacher.



Gymnasts build for next year

"We had a building team this year, making a good foundation for next year's team," stated Gymnastics Coach Mary Busser.

The team started the season with four consecutive losses to Mt. Healthy, Colerain, Badin-Lakota, and Princeton. Their first victory was against Mercy, 76.7-47, followed by losses to Greenhills and Anderson. The final victory of the season was a 74.35-71.10, defeat of Seton. The Mustangs lost the final two meets to Seven Hills and Princeton.

Cagers lack consistency; finish 4-8

"There was a lot of improvement during the season. The girls really worked hard," stated Basketball Coach Jan Worley. The girls finished the season with a 4-8 overall record.

The cagers upset Seton, 41-37, then lost to Our Lady of Angels, 32-59, and McAuley, 28-80. The Mustangs defeated Indian Hill, 28-26, then suffered three consecutive losses to Mercy and Hughes twice. Princeton and Seven Hills were the horses only other victories. West High lost the final two games to Marian and Loveland. The reserves finished the season with a 3-1 record.

In the Mt. Saint Joseph tournament, the Mustangs were defeated by Colerain, 42-44.

Holly Hoff led the team with a 7.6 points-per-game average. Center Mary Fry led the Mustangs with 138 rebounds.

Mermen monopolize PHSL title

"The team worked very hard and did everything a coach could ask them to do," commented Coach Robert Jacobson about the 1974-75 Swimming Team.

The mermen captured a sixth consecutive PHSL crown but not without a strong challenge from Walnut Hills. "They never stopped believing they could be a successful team," added Jacobson. Walnut eventually finished second to the Jacobson men in the PHSL meet.

The 400 yard relay team, composed of senior co-captains Randy Cain and Jeff Webeler, along with Tom Lederer and John Gifford, set a new PHSL, school, and pool record with a time of 3:27.2. Several weeks later the 400 yard relay team topped the record again, cutting the time down to 3:25.9.

Cain was named "PHSL Swimmer of the Year" and Jacobson received the honor of "Co-coach of the Year" in the league.

Fry leads Merwomen

"I was very proud of all the effort put forth by the girls. They worked so hard," stated Swimming Coach Verlie Meyers. The squad finished the season with a 3-7 overall record to take fourth place in the PHSL.

The Merwomen defeated Withrow, 42-29,and Aiken, 40-34, after losing to Oak Hills, 65-15. The squad then suffered 6 straight losses to Seton, 28-46, New Richmond, 34-37, Norwood, 33-38, Woodward, 33-43, Wyoming, 20-55, and Walnut Hills, 29-45. The team won their last meet at Mercy, 42-33, and placed fourth in the PHSL championship.

"Breaking the PHSL record was the greatest thing that happened to me this year. It was the best feeling to accomplish something which I had worked so hard for," stated co-captain Mary Fry. Fry placed first in the 60 yd. free style event in every meet except Oak Hills and was undefeated in the 100 yd. free style event.

Mermaids run swim meets

"Our purpose is to promote swimming at Western Hills. We're the officials at home meets and the cheering squad at away meets," stated Mermaid captain, Liz Patty. The girls had bake sales, candy sales, a pancake breakfast, and car washes to earn money for new uniforms and to provide transportation to away meets. The girls were in charge of all home meets, timing, judging, starting, and cheering. The group was sponsored by Swim Coach, Robert Jacobson, with assistance from Judy Klein, Western Hills Alumna.

"Our goal is to go undefeated, win all five tournaments, and win the PHSL," remarked Coach Jerry Bush about the 1975 Varsity Baseball Team. "I think we're comparable to anybody in the city."

The Mustangs start six lettermen from last year's squad which compiled an 18-6 overall mark. "Our overall strength is our team defense," added Bush.

The mainstay of the pitching staff is Rick Keeton and Steve Wheeler with Keith Richey and Mark Weiler backing up. Senior John Nelson will handle most of the catching chores while Phil Richter will be the first baseman. Paul Hartman will be the second sacker, Captain Daryl Haefner will be at shortstop and Keeton plays third base. The outfield spots will be handled by Rich Robbins in left field, Dave LeCompte in center field, and Tim Johnson in right.

Colt's attitude breeds success

"With improved attitude and determination, we could have a very successful season," stated Coach Ken Selby, a teacher at Hughes High School, about the 1975 Reserve Baseball Team.

"The kids swing the bat," added Selby while singling out Terry Butts, Ross Varland, Brent Nichols, and Steve Nesmith for having potent bats.

Competitiveness is strong on the Reserves as two players battle it out for the starting assignments at each infield position. The pitching chores will be handled by Nichols, Nesmith, and Jim Willis. Steve Tapogna is Coach Selby's assistant.

Netwoman Kiely leads netmen

The 1975 Tennis Team will depend on Evelyn Kiely for leadership and success. "Ev is our number one player and she is ranked first in the state for her age group," commented Coach Art Weil.

"Our goal each year is to improve a little bit from the year before," stated Weil. Steve Stanecki and Geoff Robbins will battle for the second and third spots. Captain John Honecker will lead the doubles teams.

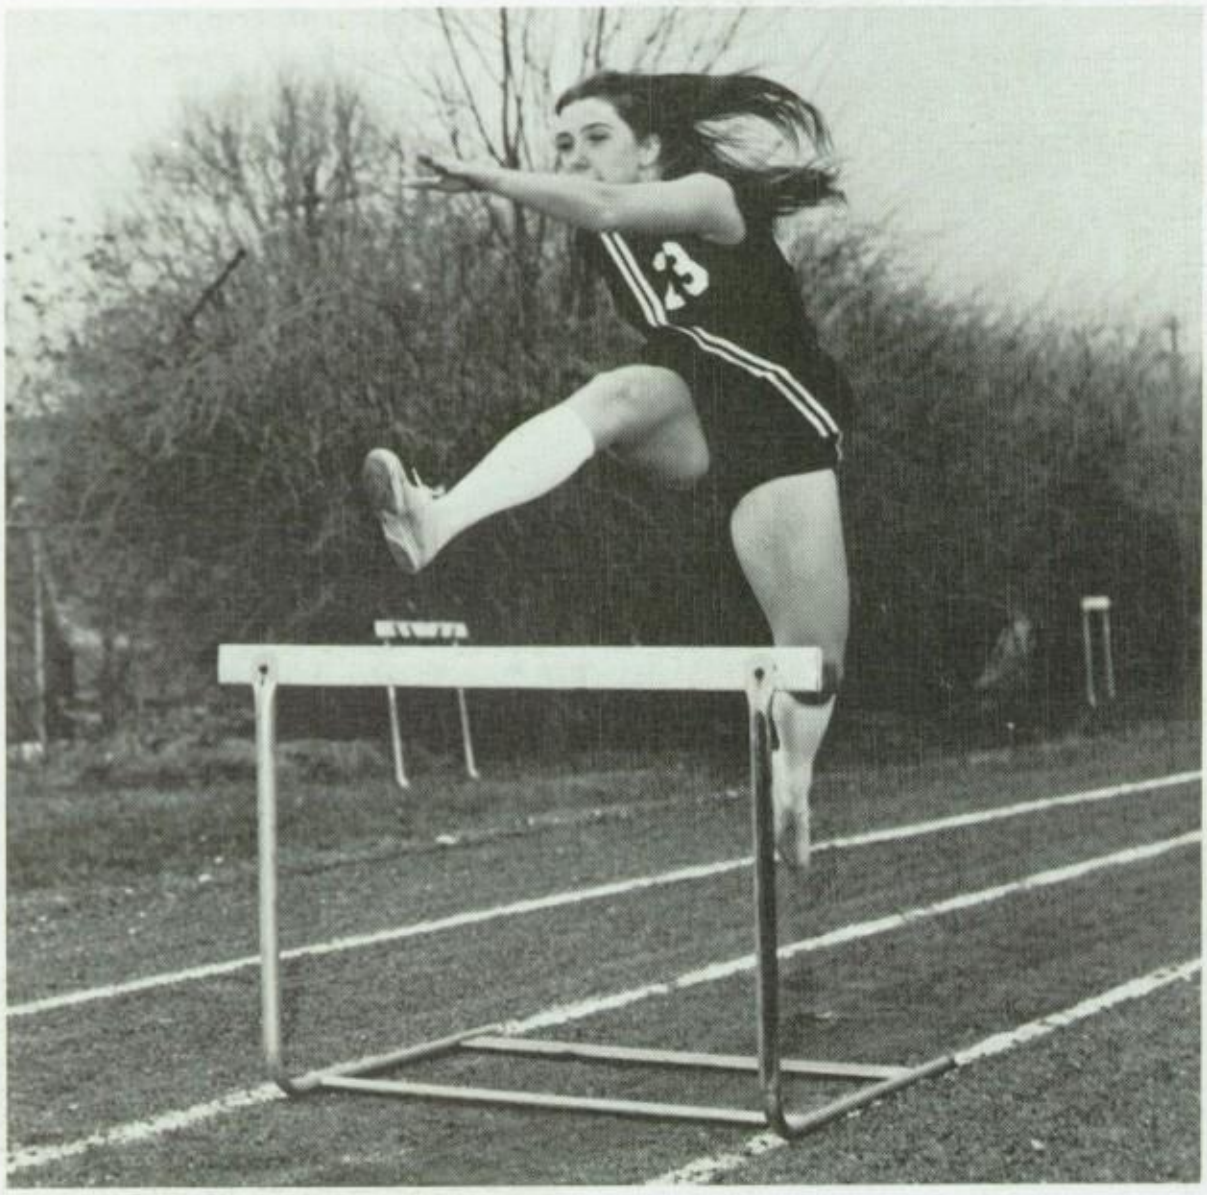
Cinderwomen race for first time



"We hope to have a good season this year," stated Track Coach, Verlie Meyers.

In the field events, Holly Hoff will be long jumping and Nancy Hyland high jumping. Diane Rice and Debbie Merz will throw the discus. The other field events are not yet decided upon.

Nancy Holden and Patty Rider are running the hurdles. The other running events, long and short, are not decided upon yet. "Many girls are interested, but have not been timed at certain running events as of yet," remarked Meyers.

Colts expect good season

"We should have a good team this season, because this area is a hot bed for softball," stated Softball Coach Mary Busser.

Barb Miller and Pat Lindemann will do the pitching, while Rhonda Daugherty and Julie Plummer catch. Pat Stirrat, Beth Binhammer or Peggy Heinzelman will play first. Julie Nicolas or Tammy Huegel will play second. The shortstop will either be Becky Knotts or Teresa Adams, and Mary Fry or Pat Zumwalde will play third.

The outfield positions will be held by Elaine Miller, Karen Sweeney or Mary Neal in left, Jan Ray or Peggy NewKirk in center, Cindy Danehy, Melissa Wood or Shirley Pierce in short center, and Kathy Walters in right field.

Experience key to success for cindermen

"The fact that we used a lot of sophomores last year gives us a lot of depth and experience," stated Coach Virgil Scardina about the 1975 Track Team. "We hope to be better than last year and have a decent chance to win the league."

The Cindermen's strength lies in the 440 on up through the distance events with help from the field events, added Scardina.

Scardina expects outstanding performances from Pete Strimple in the distance events, Joe Kappa in the pole vault, and Pete Piepenbring in the high jump.

Groups actively boost spirit

"The purpose of trackettes is to promote track at West High and to give support to the guys," stated Trackette captain, Karen Niehaus. The girls sponsored bake sales and car washes to buy refreshments for the track team at home and away meets. The girls cheered, timed, measured distances at the meets.

"The shortstops were responsible for promoting spirit for the baseball team," stated Shortstop captain, Cindy Krier. The girls had bake sales and a bubble gum raffle to earn money. The group made team badges and pinned the players on the day of each game.

Make your day with GAA

"Make your day with GAA," the theme of this year's GAA season, was introduced at the Kickoff Party. The point system, advanced teams, and sports seasons were explained by the officers and board members.

The annual "Powder Puff" game was for the first time won by the juniors. "For the first time we made money on the Mr. Western Hills canteen, stated GAA President, Peggy Heinzelman. Doug Coleman was elected Mr. Western Hills and Mark Doebrich was first runner-up. "Magnum" provided the music for the canteen which was held January 31.

GAA keeps girls active

The fall sports included hockey, tennis, golf and beginning swimming. GAA members had a Halloween Party, button sale, and many apple sales.

During the winter, volleyball, advanced swimming, gymnastics, basketball, badminton, ping pong, and bowling at Western Bowl were offered. Highlighting the season was a volleyball match with Hi-Y and an ice-skating-pizza party.

The GAA spring season kept members active with track, softball, golf, archery, and tennis. A camp-out in the spring ended the spring season. At the traditional May Banquet, members received letters, trophies, and charms. Announcement of Honor teams, officers, and All-Around Girl ended GAA for 1975.

"GAA lets you meet people, face competition, improve your skills, and, above all, have fun," remarked GAA President, Peggy Heinzelman.

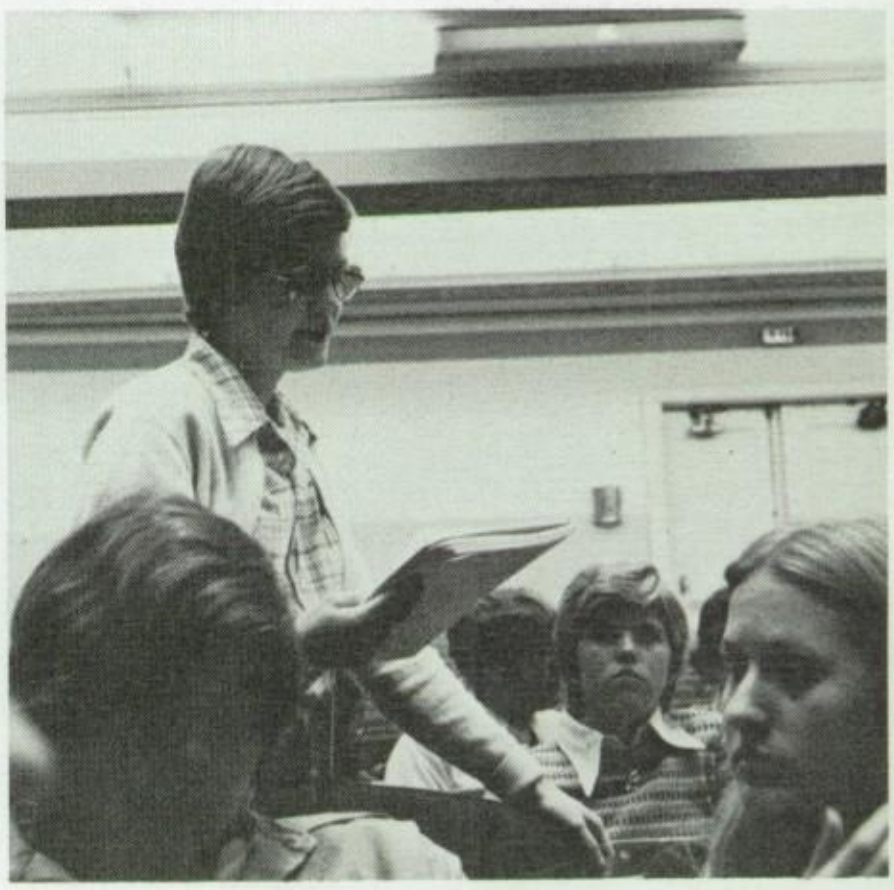
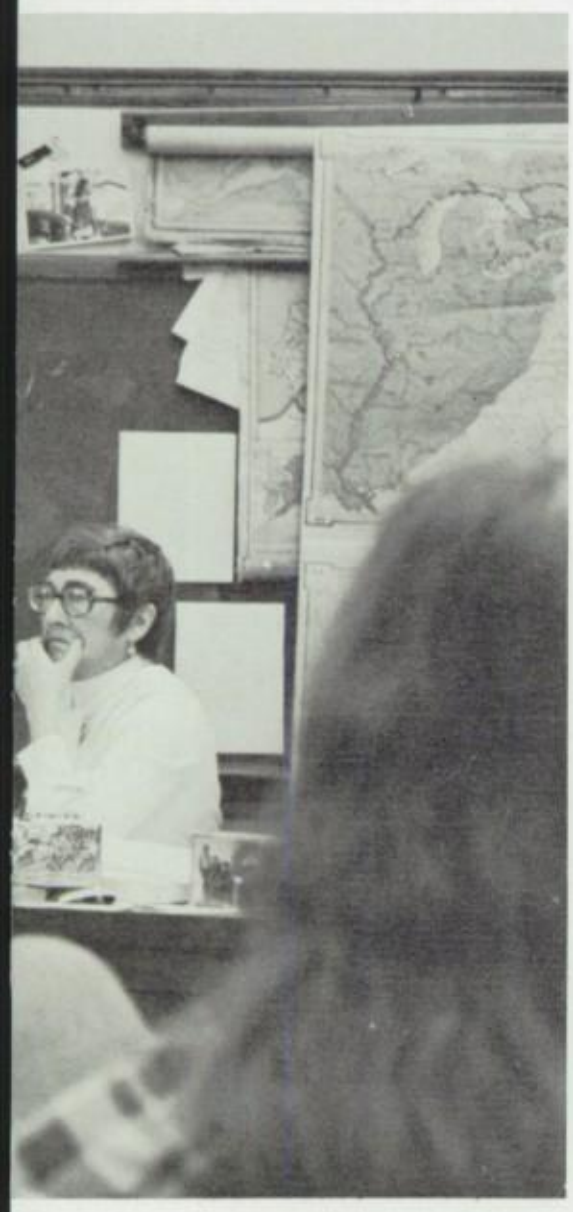
Agenda





Robbins proud of West High

"The main goal this year was to get more people aware of Council and what it was doing," stated Student Council President Geoff Robbins. The plan to achieve this was not only to ask students for help but also to offer them things such as the pumpkin carving contests and showing free films.

Robbins explained how West High was a 'big brother' to other schools in the area. "They were experiencing what we have experienced in the past, such as the smoking area, dress code, and open campus problems. They saw the results and what we have accomplished, and asked us for advice."

Summing up his feelings about the year, Robbins stated, "I'm really proud to represent Western Hills, and be a part of it."

Co-chairmen perform duties

"This year we decided to have two co-chairmen for each committee as opposed to one chairman," stated Robbins. The co-chairmen were responsible for organizing the committees when certain jobs had to be done.

The co-chairmen were appointed by the Student Council President. After elections were over in the spring, students signed up for committees they wished to be considered for. The officers then decided who would be best for a certain committee.

Each year there are certain standing committees. However, some may be abolished or new ones added. This year the Student Exchange committee was formed, and the **Legacy** committee was abolished. Robbins explained that, "There was just not enough creative writing being submitted."

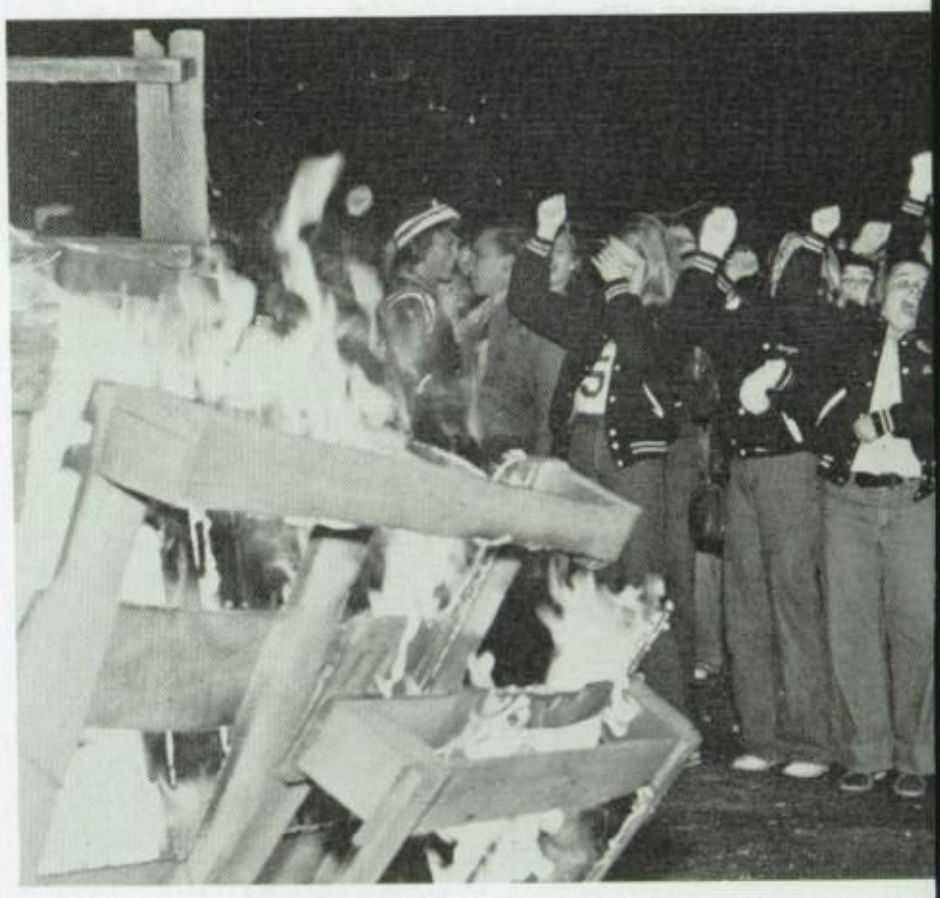
SC extends to all interests

"Folk Festival is one of Student Council's biggest money making projects," stated co-chairman, Janie Sustar.

This year, Folk Festival involved more people from the different areas of school interests. Instead of using elaborate sets to establish a mood, only a scrim and lighting were used. Many different concepts were used, resulting in better variety.

The Folk Festival was better attended this year. Maria Madonis, co-chairman, stated, "It was the biggest crowd we ever had."

Student Council recognized parents of football and basketball players, and the varsity cheerleaders on Parents' Recognition Nights. Parents were introduced with their son or daughter. Mothers received flowers donated by Student Council.



King, queen elected; share royalty

46th Annual Homecoming festivities began with the Pow Wow on the eve of the Elder-West High football game. The football team, cheerleaders, band, and students gathered around the bonfire to rouse spirit for the oncoming game.

Thanksgiving morning, bands, drill teams, cheerleaders, and other school organizations gathered at West High and paraded to Elder where they then made way for Riverfront Stadium. At halftime, the King and Queen finalists were announced along with the winners of the float contest. The Junior Class float was chosen as the best from West High.

The Homecoming dance, "Time in a Bottle," was held at Stouffer's Inn. Music was provided by the Wes Neal Band. Both a Queen and King were chosen. Melissa Wood, Queen, stated, "I really didn't expect to win. I was shocked." Rui Fonseca was elected King and stated, "It was exciting for me."

'Westernettes' new title for Drill Team

"The Drill Team has probably one of the longest seasons of all the groups in school," stated sponsor Miss Pat Slattery. "Practices begin the first week after school is dismissed in June, and the year is not over until the last competitive performance in March."

Drill Team was 34 girls strong this year, half being new members. Summer practices were increased to three times a week. Again this summer, members attended camp to learn new routines and get new ideas.

Throughout the year, the girls performed in football and basketball halftime shows, parades, pep assemblies, and competitions. They also performed special services such as ushering for Open House and for the dedication of the Vocational wing.

New uniforms and a new name was the biggest difference this year. The uniforms, which cost more than $2,300, are the only ones known of this style. "The name Westernettes was given to this year's Drill Team to point out that this an unique group with a name unlike any other organization at West High," explained Slattery.

Band provides music, spirit

Women's lib, American dances, Country-Western, and a rain show were some of the halftime shows performed by the band this year. Each show included songs which revolved around the theme. "In planning the shows, we try to pick a topic known to everyone and make a show out of it," stated band director, Mr. Brady.

In addition, the band participated in dedication ceremonies, Open House, parades, and many other civic affairs. To raise money, members sold fruitcakes at Thanksgiving and Christmas time.

Band Letter Club provided social activities for the band, such as ice skating and an annual picnic in the spring. The group also sponsored the canteen following the Pow-Wow, and had bake sales to raise money.

The Majorettes performed in the Harvest Home and Thanksgiving Day parades. The five twirlers also performed in pep rallies, some basketball halftime shows, and all the football halftime shows. In addition to batons, the girls also used flags and hoops this year.

WESTERN HILLS BAND

Orchestra size increases

A total of 51 members made the orchestra bigger than it has been for the past two years. The orchestra performed in the Christmas, Winter, and Spring concerts, Bandwagon, and assemblies throughout the year. Members also demonstrated the sounds of the instruments to several classes.

Orchestra Pin Club joined with the Band Letter Club to form a bigger, more unified group. "Before, Band Letter Club and Orchestra Pin Club were two separate groups," explained Pin Club President Maria Madonis. "The presidents of each group decided to get together this year and join in activities together."

Studio sings at pre-game

Studio Choir sang the National Anthem before the home football games this year. Mrs. Mary Schneider, director, stated, "It was the idea of the officers of Studio to sing at pre-game. This was when the girls began wearing slacks with their jackets, and now they're wearing them more and more."

Studio had a busy and varied schedule through the year. In addition to the Christmas programs and appearances they made at various places throughout the city, they also sang with the Symphony Orchestra and participated in district contests. The second Christmas Album was recorded in March.

Senior Choir performed in the Christmas programs and graduation. "Senior Choir is a group which sings at the same level of difficulty as Studio but at a slower pace," Schneider explained.

WH reveals story of **Our Town**

" 'Our Town' is unique in that it relies more on pantomine than props," explained student-director, Tim Jones. "Also the story is told by a stage manager who is an omni-present character, that is, he can be anyone at any time although he is never really there." For the most part the stage is barren of sets except for a few simple props.

The story is about a small town, its inhabitants, and the marriage of George Gibbs and Emily Webb. However, the main point behind the story is that living people know little of true joy or happiness and waste their lives on petty occupations and small thoughts.

"The acting and audience reaction was great," stated Jones. "I think the pantomine was a nice change. It made the audience work for what they saw."

Dance, music emphasized in Bandwagon

April 9, 10, and 11 were the dates the 1975 Bandwagon rolled into West High. Bandwagon '75 was divided into five units, each revolving around a different topic. The first unit served as the introduction revolving around American music today and the "Beat." Another unit revolved around nostalgia and included songs and dances from the '40's. Unit four was reserved for music from the orchestra and choir. Also in this unit the original song contest winner performed the winning number. Since there will be no Bandwagon in 1976, the finale emphasized the Bicentennial.

Unlike other years, the 1975 show had two dance lines, each containing a larger number of girls. Mrs. Mary Schneider, music director, stated, "I think that movement and dance was up in the school this year and there was a heavy emphasis on choreography in the show."

Stage Crew aids acting

Stage Crew was responsible for the maintenance of the stage and performing any technical operations involving the use of the stage. This included anything from pep assemblies to large productions such as the fall play and Bandwagon. Stage crew's size increased to about 15 people this year, twice as many as last year.

"The main goal of Thespians is to help promote acting," stated president Tim Jones. Thespians is an honor society for school actors. To qualify, a person needs to have been in 2 major productions and have 100 hours of stage time. During the year, Thespians performed at area Junior High schools to promote the plays, and they sponsored the fall play.

The Visual Aids department distributed, inventoried, and collected all the audio-visual equipment in the building. They also had to make minor repairs and track down lost equipment from time to time. The VA department worked the first 3 periods and there were two students working each period. Instead of only boys this year, there were also VA girls.

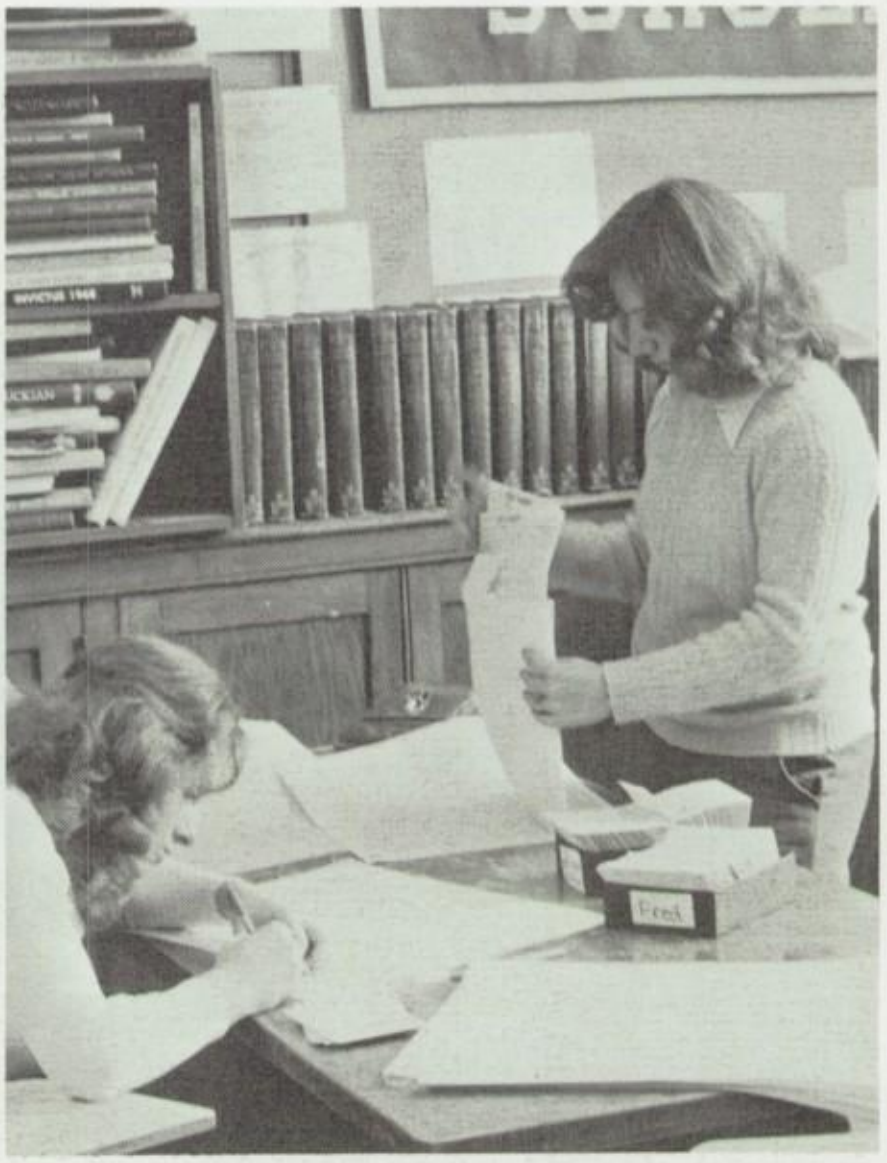
Jigsaw theme for puzzling year

A fully embossed cover made the 1975 **Annual** the first ever of its kind. The cover cost $1800 extra because of this special embossing.

The Senior section was the only thing done in color. This was almost a complete change from last year's book which had the whole Opening and Senior sections done in color. The predominance of black and white represented the black and white students and teachers.

"'Jigsaw' was the one word we thought could best describe the year for everyone at West High," stated co-editor Melissa Wood. "It was a year of big changes and confusion for everyone."

This summer, the co-editors, production manager, and business manager spent a week in Virginia Beach attending a yearbook seminar. The purpose was to learn and share new ideas with yearbook staffs from all over the country and Canada.



Students voice opinions in editorials

"Not since the April Fool's Day issue of 1973 have we had so much controversy," stated **Breeze** advisor, Mr. David Pierato about the 1975 editions of the **Breeze.** "We have had an editorial in every issue and we haven't been afraid to write about school problems or events that are supposedly untouchable," Pierato explained.

1975 features included bigger cutlines, lead-ins, more white space and a series on entertainers, rock stars, and provocative movies. "It's artsy-craftsy," explained one editor, Jenny Jones.

Most of the stories were written by the Journalism students as assignments. One big change this year was a small staff and fewer reporters from the Journalism class. In addition to the regular 13-15 issues each year, there were also special service issues such as ones for Student Council elections and Vocational Education Week.

Hi-Y boosts spirit at games

Western Hills Omega Hi-Y received an award from Mayor Berry this year for the outstanding participation of members in the "Miles for Mankind" walks for the past three years. "We have had 80% of our members participate every year and we have raised more than $3000 during the three years we have been participating," stated Hi-Y sponsor, Mr. John Michaels.

Hi-Y members supported the football and basketball teams this year by forming a cheering section. Members cheered at all the home football and basketball games. Other major activities included the "Miles for Mankind" walks and participation in Youth and Government. Members also played soccer, basketball, volleyball, and softball.

The Hi-Y year began in September with meetings being held once a week, and ended with a banquet in May when the new officers were installed.

Clubs partake in activities

French Club's first activity this year was decorating a car for the Thanksgiving Day parade. The club took part in the third annual International Dinner on January 10. A luncheon was held at the Maisonette in May for the election of new officers.

Spanish Club members visited the Art Museum and had a picnic in Mt. Adams in May. Members sold homemade sewing kits to pay for their participation in the International Dinner. "The purpose of Spanish Club is to reinforce some of the cultural ideas that students read about in class," stated Miss Harris, Spanish Club advisor.

Latin Club began the year with a hayride at Winton Woods. Carols were sung in Latin at the annual Christmas Party. Latin students wore bloody daggars or black armbands in celebration of the Ides of March on March 15.

German Club members visited a German restaurant, sat in on a German class at UC, and saw films of Germany. The club had a stationery sale to make money. "German Club is still in the organizing stage. We're just starting to get it together," stated vice president, Rita Stukenborg.

Support, spirit for games

The Bleacher Bums, a girls and boys cheering section, came to the home football games and some basketball games. They also participated in the West High—Elder parade with decorated cars. The sponsor, Officer Simpkins, donated old police hats which they painted maroon and gold to wear as part of their uniform. To raise money for jackets, they had car washes and an auction.

Benchwarmers, strictly a girl's group, cheered at the home football and basketball games. They met and organized themselves the first week of school. During this time, the cheerleaders taught them cheers. The group had candy sales and car washes in the summer to make money.

"The main purpose of JCWA is to have a place where people can express their views and to get people involved in world problems," stated vice president Kevin Reinhardt. Junior Council on World Affairs is a city-wide high school organization. Members attended seminars throughout the year where students from other schools got together and discussed problems. At meetings, speakers would come and talk to the members.

Clubs tourney, play for fun

"Mostly we just bowl for fun," stated Bowling Club member, Ed Swab. Bowling Club offered a chance for students who liked to bowl to get together. The members played on Monday afternoons at Western Bowl. The club, with about 30 members, divided up into teams and played against each other. First, second, and third place trophies were awarded at the end of the year to the best teams.

The Table Tennis team held meetings on Tuesdays and Thursdays. The team competed against other schools. Before a match, members would play against one another to determine the best players. The four best would then represent the team.

Chess Club played against teams from Xavier, Elder, Harrison, LaSalle, and Greenhills. These schools comprised the Western Division. The season began in the end of September, and members played in tournaments until February. When their competitive season was over, they continued to learn new variations of the game and played for fun.

Sophomore Class officers

Six officers—Mary Duffey, president; Robin Askey, vice president; Janet Reuter, treasurer; Rhonda Hall, secretary; Sean Kinney, committee chairman; and Joe Collins, float chairman-represented the Sophomore Class. Sponsors were Mr. Austin and Mrs. Kollmann.

"Knock Em Out West Hi," the theme Sophomore Class entered in the Fourth Annual Thanksgiving Day float competition featured a boxing ring showing the referee declaring the Mustang football player the winner over the Elder football player. Working on the float was summed up by president Mary Duffey who said, "We really had a good time."

Another Sophomore Class activity for the year was a car wash at a Union '76 gas station. Other activities included a bake sale.

Junior officers plan various

Girls took over Junior Class offices. Officers were Julie Simon, president; Mary Fry, vice president; Denise Charrier, treasurer; and Kathy Strunk, secretary. Mr. Pierato was junior class sponsor.

Two straight years the class of '76 won first place in Thanksgiving Day float competition. "Mustangs Are On The Winning Track" was the theme for this year's float, featuring a train heading towards the goal post. Rich Robbins was float committee chairman. "We always had people to work on the float," stated president Julie Simon.

Activities which financed the float included a summer car wash, selling spice sets, and maroon and cream ski hats.

"Hay Market Riot" provided music for the traditional Junior-Senior prom held at Music Hall April 4. Senior girls vied for Prom Queen.

Officers plan fun-filled year

"The seniors this year were really fantastic!" exclaimed senior class president Mary Ann Jacobs. "I really enjoyed working with everyone!"

A trip to the Smoky Mountains highlighted 46 seniors' year. "The trip went so well. All the kids who went had a great time!" stated Dianne Fisher, class secretary.

Car washes, tassel sales, and bake sales provided money for the annual After-Prom sponsored by the seniors. Again, the festivities took place at Western Bowl.

"Without the help of our sponsors, we couldn't have done a thing," explained vice president Denise Mitchell. Mr. Frank Hafenbritle and Mrs. Phyllis Jaeger sponsored the group.

Upper Left: Mary Ann Jacobs discusses plans for the senior class trip with Mr. Hafenbritle and Mrs. Jaeger. **Middle Left:** Buddy Hustedt, Sandy Bolia, and Mark Fisher show their senior ID cards to Mrs. Karches before leaving the campus for lunch. **Far Left:** Senior class officers for 1974-75 are Denise Mitchell, vice president; Mary Ann Jacobs, president; Evelyn Kiely, treasurer; and Dianne Fisher, secretary. **Upper Right:** Diane Wimsey, Bill Hunter, and Jody Hepp read the History, Will, and Prophecy on Class Day. **Lower Right:** Chris Beck eyes the ball as date Debbie Stewart happily looks on.

4 GUIDEPOSTS FOR HAPPIER LIVING

1. BE CONSIDERATE

Develop a sincere interest in people, their lives and their problems. Be understanding, and never build personal success at the expense of others.

2. HELP THOSE IN NEED

You will find few experiences so rewarding in life as the times you give a helping hand to folks in need.

3. CONTINUE TO LEARN

Stay mentally active, intellectually curious, receptive to new ideas. Education is a wondrous process continuing throughout life.

4. CULTIVATE THRIFT

Save regularly from the start. Thrift gives you an important extra margin for progress . . . for security . . . for success.

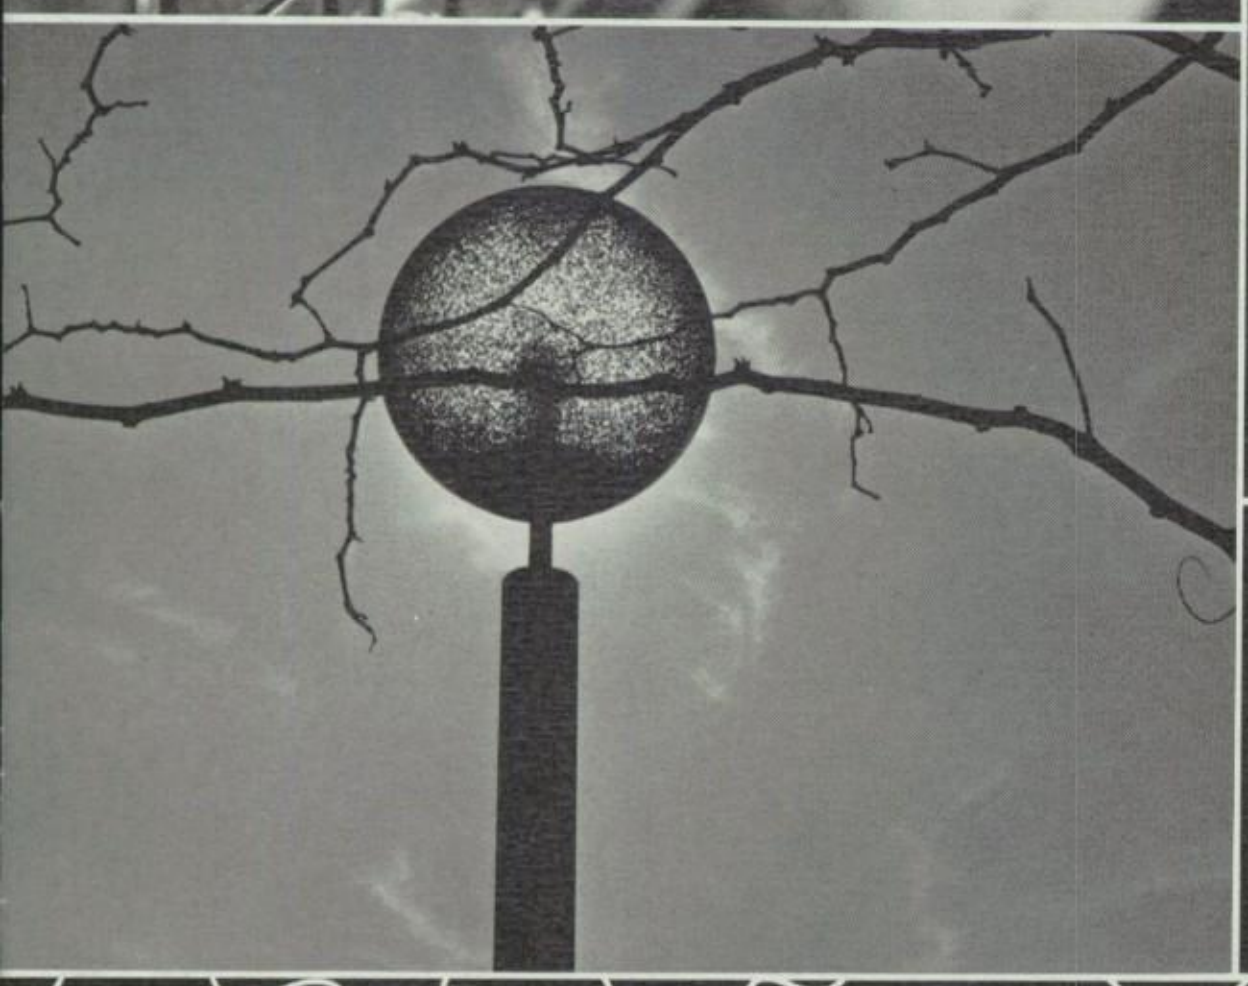
Jigsaw

As the year went on the confusion began to settle down and many of the puzzling pieces became routine. Everyone and everything that was new became a part of Western Hills. Students, teachers, and administrators attempted to fit themselves into the over 3,400 piece puzzle.

Even though there was much confusion during 1975, many traditional activities still took place; the Pow Wow, the Homecoming Dance, the Prom, and the Mr. Western Hills Canteen.

West High in 1975 proved to be challenging.



Top Left: The Goddess of Waters reigns over rebuilt Fountain Square. **Bottom Left:** The size of the Senior Class once again caused graduation to be held at UC's Armory-Fieldhouse. **Top Right:** A careless student leaves a card catalogue drawer open in the library. **Bottom Right:** Night falls on the Annex courtyard. **Above:** Freedom beckons at 2:45.

Acknowledgments

After many months of hard work the 1975 **Annual** is finally complete. The **Annual** Staff would like to acknowledge these people:

Thanks to County Commissioner, Robert A. Wood, for the pictures of President Ford and the Ohio State Capitol.

Thanks to Maury Childs, the representative from Inter-Collegiate Press Inc., for taking the Editors, the Production Manager, and the Business Manager to and from the Virginia Beach Seminar.

Thanks to Inter-Collegiate Press Inc. for doing an excellent job on the cover.

Thanks to Mrs. Petrou, Mrs. Weiler, Mrs. Honecker, Mrs. Minton, Mrs. Meinders, Mrs. Dink, and Mr. Wood for putting up with our last-minute worknights and also for our "eating them out of house and home."

Thanks to Osborne Photographic Laboratory for taking and developing many of the pictures.

Thanks to the **Annual** Journalism class for selling too many ads.

And a special thanks to **Annual** advisor, Mr. John J. Michaels, for having faith in all thirteen of us.

Dearest Daisy,

What a wonderful surprise to hear from you. Congratulations on your engagement! I can't wait to meet Charles. I'm sure he's a lovely man if he's managed to win your heart. Have you set a date yet? Will you be having a big wedding? Please do tell me all the details.

I'm so glad you enjoyed your visit to Paris. It's such a beautiful city, isn't it? I'm sure you had a marvellous time shopping and sightseeing. Did you manage to see the Eiffel Tower? It's one of my favourite places in the whole world. I could go there every day and never get bored of the view.

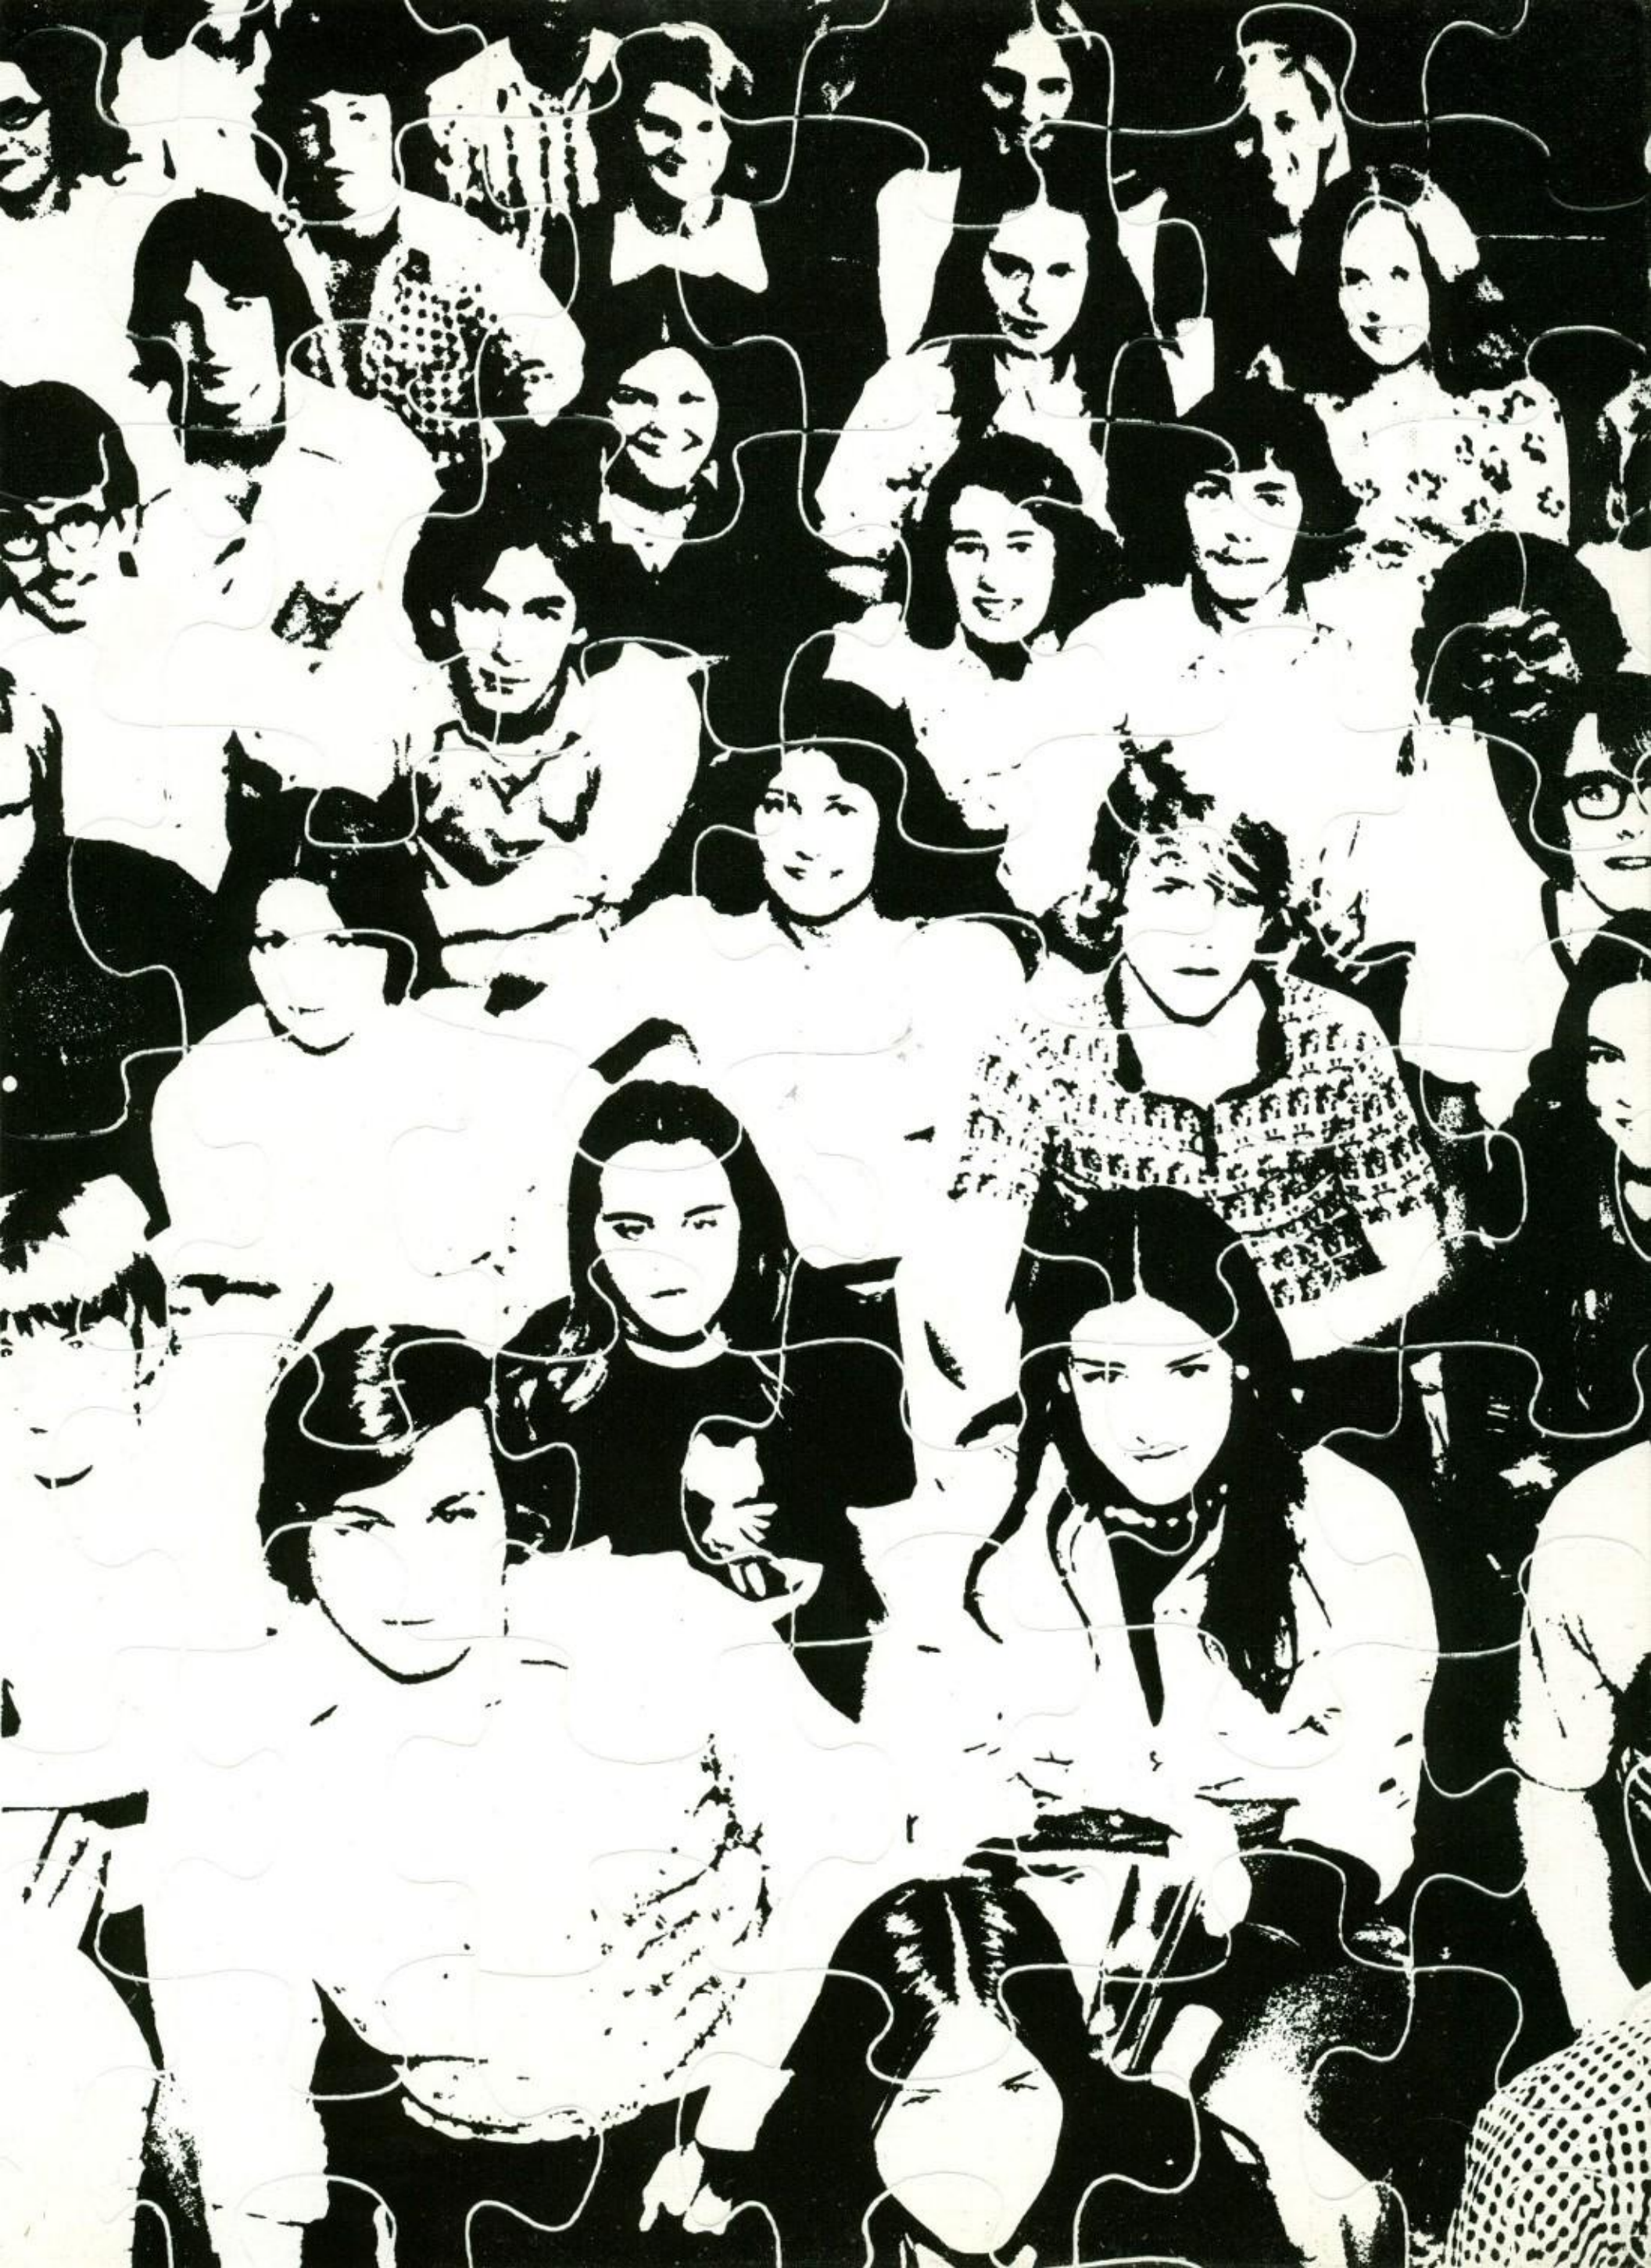
I'm very busy at work at the moment. We've had a lot of new clients coming in recently, so I've been working late most evenings. I'm also trying to find a new flat, as my landlord has decided to sell the building and I have to move out by the end of the month. It's a bit stressful, but I'm sure I'll find something soon.

Anyway, enough about me. How are you and Charles settling into married life? Are you still living in your little cottage in the countryside? I'm sure it's very romantic, but I must admit I prefer the convenience of living in the city. I can't imagine having to drive everywhere.

Please write back soon and tell me all your news. I miss you terribly and can't wait to see you again.

Love,

Jemima

Janice,
Congratulations on making Daisy Chain and thanks for your directions. I never would've found my way out of Saylor Park without you. We ought to start a Pete Rose fan club. How lucky can we get? Anyway, maybe someday I'll learn to drive a stick-shift car. Wish me luck. Have fun! Love,
Denise
Charrier


Janice,
You're fooled to two attempts to find a new name, no two attempts to find a new name, no two attempts to find a new name, no
